LOCAL NEWS

MARINE NOTE.
Schooner Lady of Avon, Captain Steele, from Gulfport, was reported at Hamilton, Bermuda, last night.

TO SAY FAREWELL.
In the Ludlow street Baptist church this evening, the members of the congregation will have a farewell gathering for Mr. and Mrs. Kempton Gyles and their daughter, Miss Evelyn, who have been spending the winter months in the West End and who will return to their home in Port Williams, N. S., on Thursday next.

YOUNG PEOPLE'S MEETING.
A combined meeting of the young people of Ludlow street and Brussels street Baptist churches was held in the Brussels street church last evening and a very enjoyable time was spent. Miss Willis, the president of the Young People's Society presided. Solos were very nicely rendered by Miss Kierstead, Miss Stimers and Albert Belding. Rev. W. R. Robinson gave a short address on temperance. After the programme was completed refreshments were served.

DEATH OF MRS. MARY CORBIN.
Mrs. Mary Corbin, wife of Richard Corbin of Willow Grove, died at her home yesterday. She was born in Willow Grove more than ninety years ago and had lived there all her life. She had been failing in health for about a year. Besides her husband, who is nearly 100 years old, she is survived by two sons and one daughter. The sons are Alfred and John, both of this city. The daughter is Miss Rachel, at home. Mrs. Corbin was well known both in the vicinity of her home and in the city.

HEARD BY CROWDED HOUSE.
Every seat was filled in St. Andrew's church school room last evening to hear Mrs. E. A. Smith's lecture, "Through Canada with a Camera," which was delivered in aid of the flower guild fund. In the absence of the chairman, John D. Magee presided. This is the first of Mrs. Smith's best lectures, being filled with valuable information concerning Canada, presented in a most attractive way. She was heard with intense interest, and at the close a very hearty vote of thanks was tendered on motion of John H. McRobbie, seconded by D. R. Kelly.

MISS MURRAY'S CLASSES.
Miss Murray, the playground instructor, is getting along very well with her work. Eighteen ladies are taking the course of instruction for playground teachers, and there are also classes in grammar school girls and employed girls, and on all these occasions the assembly room of the high school is being put to a valuable use. The Amherst committee has consented to allow Miss Murray to remain until the 15th of May. It is hoped that a much larger number of employed girls will take advantage of the classes on Monday and Thursday evenings during the remainder of the period, and also that members of the Playgrounds Association, and especially its executive will heartily support Miss Murray in her work.

THE POLICE COURT

In the police court this morning, the case of a foreigner, from whom the police were unable to get any information as to his name or nationality, came up. He was arrested yesterday afternoon by I. C. R. Policeman Smith on charge of trespassing on L. C. R. property and stealing coal. The policeman told of seeing the defendant in the yards on last Friday with a wheelbarrow and again yesterday with a bag, picking up coal, and he placed him under arrest. During the hearing the prisoner stood like a statue, evidently ignorant of all that was going on before him. When the witness had finished his evidence, Magistrate Ritchie said: "Get down" and the man promptly turned around and made his way to the prisoners' bench, causing a ripple of laughter to run through the court room. He was then remanded.

Thomas Conboy, arrested yesterday on a warrant charging him with assault on Gladstone Johnstone, colored, pleaded not guilty and as the complainant did not appear in court to press the charge, the defendant was allowed to go. Another man, William Barrett, also named in the warrant in connection with the assault, but who could not be identified by the police appeared in court and denied having anything to do with the assault and was allowed to go.

Carlo Alto, charged with assaulting Charles Anderson on Rodney wharf, was remanded.

William Clever and Arthur Walsh, two article seamen from the steamer Kumara, were called upon to answer the charge of leaving the ship on Saturday and Monday without permission. They both pleaded not guilty. George Davidson, first officer, told of the sailors leaving without authority. The men were sent to jail until the steamer is ready to sail, which will probably be the last of the week.

James Davis, who has recently been in the Municipal Home was arrested last night and was charged this morning with being a common vagrant. He was remanded to jail.

One man was fined \$8 or thirty days in jail for drunkenness and \$16 or two months for resisting the police; another \$12 for being drunk and profane and another was fined \$8 or 30 days for drunkenness and one was remanded on a like charge.

Miss Muriel Wetmore is Bride of J. F. H. Teed Today

A ceremony of great interest to their numerous friends took place this afternoon at three o'clock in the village church at Clifton, Kings County, when John Francis Hanington Teed, B. A., B. C. L., barrister-at-law, eldest son of M. G. Teed, K. C., of this city, was united in marriage to Miss Muriel Wetmore, daughter of Mr. and Mrs. A. K. Wetmore of Clifton. The ceremony was performed by Rev. A. Sherry of Stanley, a former class mate of Mr. Teed, in the presence of a large number of relatives.

The bride, who was beautifully gowned in white satin, with bridal veil and bouquet of orange blossoms, was attended by little Miss Mildred Flewelling, as flower girl, the latter clad in white and carrying a large basket of flowers. Philip Palmer, formerly of Dorchester and now of Winnipeg, and Mr. Wetmore, brother of the bride acted as ushers.

After a wedding supper at the home of the bride's parents the wedding party will return to St. John and Mr. and Mrs. Teed will leave for an extended trip. On their return they will reside at Renforth for the summer.

The presents were numerous and handsome, including many pieces of cut glass and silver. The present from the bridegroom's father was a substantial check. The bridegroom's present to the bride was a beautiful diamond bracelet.

Mrs. Margaret Black Journeys Home From Portland — Her Birthday Celebration

A recent issue of the Sunday Telegram, of Portland, Me., contains an account of interest to many friends in this city, who are the subject of the article, Mrs. Margaret J. Black. It is well known particularly about the North End. It is written following her birthday when she reached the 86th milestone in her journey through life, and it gave an interesting description of her stay in Westbrook, Me., where she was residing with her daughter, Mrs. James A. Scribner. Her picture is published, together with a group picture showing herself and two sisters, children, and grandchildren. This picture was taken in North End some months ago at the home of her daughter, Mrs. J. O. Wilson, in Kennedy street, and the latter is in the picture along with G. T. Black, of Main street, son of the venerable lady.

The Portland Telegram says that on the occasion of her birthday she was the guest of honor at a reception given for her, and she received many nice gifts. She received 234 postal cards, the largest number the letter carrier in Westbrook had ever delivered at one house. She has a distinct dislike to houses, and as evidence of this and of her domestic activities, the paper says that during the last few months she has made the patchwork of twelve quilts, assisted in tacking sixteen quilts, footed four pairs of men's socks and knid one pair, in addition to making her own bed each day and caring for her own room. Her many friends in St. John are pleased to learn of her continued good health, and were particularly pleased to see herself, for she arrived here last night to visit members of her family for the summer. She stood the journey with the vitality of one much her junior.

EGGS STILL CHEAPER

The fine weather is steadily forcing the price of eggs downward. The local dealers are reported buying at seventeenth and eighteen cents, and one who has been in the business for more than twenty years said this morning that he could not remember at any time when they were so low at this season of the year. The market in P. E. Island is also reported much easier and the quotation is given as being sixteen cents. The price on the local market at this time of year has seldom been lower than twenty-five cents.

Why Our Men's \$25.00 Suits are as Good as the Suits Sold Elsewhere at \$30.00 and \$35.00

APRIL 22, 1913

It's a question of profit—that's all. When you buy from us you buy directly of the makers and you pay only one profit over the cost of production.

When you buy elsewhere you pay two profits—the manufacturers and the retailers.

It is this combination of profit—the manufacturers plus the retailers—which makes the excess cost to the consumer.

This is why you pay \$5 to \$10 more in other stores for the suits you can buy at Oak Hall for \$25.

Why not save this extra \$5 or \$10.

Investigation will prove that in fabrics, in tailoring, in style and in general excellence our Suits are absolutely unsurpassed.

And we safeguard your purchasers here with this broad guarantee:

If anything isn't exactly as we represent it, or if it isn't exactly what you expect, don't keep it—you may have your money back on request.

Couldn't get fairer treatment than this, could you?

The same advantage applies to our entire line of clothing, which includes
