ADVENTURES OF THE TWINS

By Olive Roberts Barton

THE SLEEPING BEAUTY.

"If you want to know the truth," said the wicked fairy.

"Who else would you like to see in a Once-Upon-a-Time Land?" asked Mister Muggs.

"Let's go to see the Sleeping Beauty," cried Nancy.

"Jack-and-the-Beanstalk!" said Nick. "We can't be two places at once."

Declared Mister Muggs, "So we'll go to see the Sleeping Beauty today and Jack tomorrow. Come along."

Away went the magic automobile past seven gardens and through seven miles long and there they were at the pearl palace of the Sleeping Beauty.

"Tap, tap, tap!" they went on her front door.

"Tap, tap, tap!" they went again. "Tap, tap, tap!" they went again. Still there was no answer.

But suddenly they heard a loud

insulted. So now I have put them all to sleep again for another hundred years. What are you going to do about it?"

"Waken them," declared Nancy. "You can't! It is magic sleep," cackled the wicked fairy. "The only thing that can waken them now is a hair from the tail of the iron dog that stands in front of the Fairy Queen's palace."

With that she disappeared into thin air, leaving a little trail of smoke behind her.

Suddenly there was a whirl of wings and there stood Silver Wings, the Fairy Queen's messenger.

"We heard every word," she said. "I think it came by radio. And here is a hair from the iron dog's tail!"

So the three of them tiptoed to the room where the Sleeping Beauty slept and touched her with the magic hair. Instantly the whole palace awoke and there was great rejoicing.

And the Sleeping Beauty and the prince gave a feast for the visitors. I'm not sure, but I think the wicked fairy was invited this time and she got over being offended.

"Eczema All Over Arms Suffered for 12 Years"

Mrs. Murray Hough, Warton, Ont., writes:

"I had eczema for twelve years. Every once in a while it would break out and spread all over my arms. I tried all kinds of treatments to relieve it, but without success. One Spring it broke out and nothing gave me relief, even the salve I got from the doctor did no good. At last I tried Dr. Chase's Ointment and it healed the eczema in a short time. That is over a year ago, and I have had no return of the trouble."

FOR 15 YEARS WAS TROUBLED WITH ECZEMA

There is no other remedy like Burck Blood Bitters that can possibly give such relief to all sufferers from eczema, salt rheum and all other diseases of the blood for the reason that this old and well tried remedy goes right to the seat of the trouble and completely and permanently drives these diseases out of the system by cleansing the blood and making it pure and rich.

Mr. F. W. H. Schultz, Pembroke, Ont., writes: "Having been troubled with eczema for fifteen years, during which time I tried everything I could think of, including doctors, but without getting anything to do me much good, I finally decided to take Burck Blood Bitters, and I was certainly surprised to find that two weeks after I had started to take it I was relieved of my trouble. This was nine months ago and I have not had a sign of it since. I surely wish to thank you for this wonderful medicine and strongly recommend it to anyone suffering from the same trouble as I had."

BOTH LEGS OF BOY ARE AMPUTATED

St. Stephen, April 21—A special train from McAdam arrived here at 6 o'clock tonight carrying a lad named Griffiths, 10 years old, who had been run over by a westbound freight train while playing about 2 o'clock in the afternoon in McAdam. It was found necessary to amputate both the boy's legs at the Chipman Hospital here. According to an account of it given by the boy's father, who is a carpenter at McAdam, the accident occurred when his son, with one or two other boys, was running across the track and over by the freight train, which was pulling out of the station at the time.

Simple Application That Dissolves Blackheads

No more squeezing and pinching to get rid of those unsightly blemishes, blackheads. There is one simple, safe, and sure way to get them out, and that is to dissolve them. Get about two ounces of peroxide powder from your drugstore—sprinkle a little on a hot, wet cloth—rub briskly over the blackheads for a few seconds—wash the parts, and every blackhead will be gone. Pinching and squeezing out blackheads make large pores, and you cannot get all of the blackheads out this way—while this simple application of the peroxide powder and water dissolves every particle of them and leaves the skin and pores in their natural condition.

Enjoys Happiest Summer in Years

Toronto Man Thanks Famous Herbal Remedy for Relief It Brought Him—General Health Much Improved and Much Suffering Relieved.

"At last, a Summer spent without continual suffering," says Mr. H. Bowles, of 23 Pryor Ave., Toronto. "For the past two years I have been a constant sufferer from rheumatism, the pains shooting through my hips, ankles and shoulders so bad that I could hardly get around at times. Dizzy spells often came over me and everything would turn black before my eyes."

"Pains through my whole body would often double me up when walking about, and it seemed that I could never straighten up with comfort. Sick headaches also caused me hours of suffering. Life was a continual misery to me, and nothing I took in the way of medicines or treatments gave me any noticeable benefit; that is, until I started taking Dreo, which proved to be just the remedy my system needed and readily responded to its corrective influence."

"The rheumatic pains are rapidly disappearing, and my entire system is far stronger. I am able to get out and enjoy the Summer in comfort, free from suffering, and I gladly state that Dreo is the cause of my great improvement. I am continuing to take it as a tonic and system-builder, and know that further improvement will be mine."

Dreo is specially prepared from herbs, roots, bark and leaves and acts on the kidneys, liver, stomach and bowels and purifies the blood. It cleanses the whole system and affords wonderful relief from rheumatic pains, gastritis, dyspepsia and all other forms of indigestion, arouses a sluggish liver and relieves constipation. Let it make your life a comfort by putting your system in the shape that Nature intended it to be in. Dreo contains no mercury, potash or habit-forming drugs.

Dreo is being specially introduced in St. John by Ross Drug Co., 100 King St., Moore's Drug Store, 105 Prince Edward St., F. W. Munro, 357 Main St., and in West St. John by Watson R. Dunlop. It is also sold in Fairville by T. H. Wilson, and by a good druggist everywhere.
