lowed her up the court, caught Martin sure John Andrew, Book and Newspaper Illustrator owen her up the court, caught Martin sure enough asleep upon a wretched pallet of straw in one of the alley hovels, and walked him off, terribly scaped and surprised, to the nearest station house, where he passed the remainder of the night.

The next day Martin court of the court of the night.

had been an inmate of Clerkenwell prison for the last three months, with the exception of just six days previous to our capture

| John Street for the last three months, with the exception of just six days previous to our capture of him; and he was of course at once discharged. The reward was payable only upon conviction of the offender, and the disappointment of poor Madame Jaulert was extreme. She wept bitterly at the thought of being compelled to continue her present disministrations. Cambridge, and select was extreme. She wept bitterly at the thought of being compelled to continue her present disministrations. Cambridge, we have the selection of the offender and the disministration of the offende being compelled to continue her present disreputable mode of life, when a thousand france—a sum she believed Martine capture would have assured her—besides under the continue of the contin francs—a sum she believed Martin's capture would have assured her—besides sufficient for her travelling expenses and deceat outfit, would, she said, purchase a partnership in a small but respectable millinery shop in Paris. "Well," I remarked to her, "there is no reason for despair. You have not only proved your sincerity and good faith, but that you possess a knowledge—how acquired you best know—of the raunts and hiding-places of burglars. The reward has been doubled; now I have a strong opinion trom something that reached me this morning, that if you could light upon one Armstrong alias Rowden, you would be sure of it.

[Conclusion next week]
