CLEMENCY FOR MUTINOUS SAILORS

Cabinet Council Will Not Rescind Dictatorial Decrees of ex-Premier Franco.

Lisbon Feb 13.—The council of state has decided to pardon all the sailors FIVE BURIED IN imprisoned for the fleet mutiny in April, 1906. King Manuel, who presided inserted the following at the beginning of the decree: "It is my dearest wish of the prerogative of pardon which the constitution gives me."

At the close of the proceedings the King bade farewell to his comrades of the naval academy, where he was pur suing his studies when called to the throne, under such tragic circumstances. One of the first measures the new ministry will submit to the Cortes will be the bill for the reorganization of the police.

The cabinet council has resolved not o rescind the dictatorial decrees promulgated during the last days of King Carlos' reign, except those considered offensive to the public dignity. This action of the cabinet has caused the utmost astonishment.
