BETTER TERMS AND ASIATIC EXCLUSION

Interprovincial and Imperial Questions Respectively--Hon. W. Scott Delivers Statesmanlike Speech Before Electors of Yale-Cariboo.

large and enthusiastic meeting here in what does Mr. Borden say to Saskatchbehalf of Duncan Ross' candidature, ewan and Alberta? He says those pro-Premier Walter Scott, of Saskatchewan, vinces are not as well treated as British was heartly received. In a speech covering an hour and three-quarters, Premier Scott held the closest attention of bed of our rights and our patrimony. his audience. His main theme was the subject of transportation and he proved conclusively that if British Columbia wants freedom in railway facilities in- by the petty politician's trick played the patriot and statesman, the part of stead of railway monopoly and oppres-sion it is only from the Liberal party "At this time I am not going to argue anxious to heal discord and allay disthey can expect to obtain what they want. He showed how Duncan Ross Take it for granted that the claim is discredit and to the lasting discredit of want. He showed now Duncan Ross Take it for granted that the claim is bad been a leader in the battle at Ottawa against railway monopoly, and how the Liberal government had although the Dominion authorities are capable aims and different success by Sir John ready done much in the way of lessening the evils of monopoly by providing whitney and Roblin and Hazen and the Mackenzie Bowell and Sir Charles Tup-

"There are two subjects which I wish to refer to briefly. Speaking to a British Columbia audier e I should believe views I hold on these subjects. The Conservative leader, Mr. Borden, on his visit in British Columbia last year by the agreement of the premiers' conjects. He promised to upset the work ence of 1906 and he advocated the canyou to know what my views are.

Ottawa Conference.

which resulted in a new and better and fairer basis being adopted to govern were asking, and he denounced Mr. Mcthe annual subsidies paid by the Do- Bride's conduct in very severe terms. minion to the provinces. The arrangement was accepted by the Dominion Mr. Fielding in adopting the joint regovernment on joint request of all the commendation to pay \$1,000,000 addition—minated successfully. The London Times commented on Sir Wilfrid Laurer and Mr. Lemieux's mission to Japan terminated successfully. The London Times commendation of the provinces of the state of the commendation of the provinces. governments who made the bargain, he would be doing something wholly im-proper. Is not the same true of Mr. in this province, Mr. Borden entered a to be condemned. sphere in which he has no place. His promise was presumptuous and impuevery other province whose premiers all sat in the conference and joined in and approved the action that was there taken. In so far as Mr. Borden's promiers and the conference and joined in was there taken. In so far as Mr. Borden's promiers and the conference and joined in was there taken. In so far as Mr. Borden's promiers and the conference and joined in was there are the conference and joined in and approved the action that was there taken. In so far as Mr. Borden's promiers all me first quote a couple of sentences from Lord Milner's speech last week at Toronto. Lord Milner's speech last week at Toronto speech last week at Toro taken. In so far as Mr. Borden's promise sexcited a hope in your minds it was a false promise because such hope must promoting the Empire's unity he said: a false promise because such hope must prove a vain hope. Because his promse was calculated to make you feel provoke it, but Mr. Borden did his utmost to breed dissatisfaction in your mental bond which is strong, surely I am placing before you to hope for a result which he knew could not be gained. Weigh this statement carefully because it is the fact, the proper and the only final authority of the subsidy settlement, was and is the interprovincial conference. No other and the only final authority of the subsidy settlement, was and is the interprovincial conference. No other and the other thanks of the provincial conference. No other and the other thanks of the provincial conference. No other and the other thanks of the provincial conference. No other and the other thanks of the provincial conference. No other and the other thanks of the provincial conference. No other and the other thanks of the provincial conference. No other and the other thanks of the provincial conference. No other and the other thanks of the provincial conference. No other and the other thanks of the provincial conference. No other and the other thanks of the provincial conference. No other and the other thanks of the provincial conference. No other and the other thanks of the provincial conference. No other and the other thanks of the provincial conference. No other and the other thanks of the provincial conference. No other and the other thanks of the provincial conference. The provincial conference in the did not doing the wreck, and doubt that city street was no doubt that city stre thority can supersede its decision. The Dominion government cannot do it. The Imperial government cannot do it. The Imperial government cannot do it. The Imperial government cannot do it. Tour premier, Mr. McBride, was within his rights in appealing in the conference for special allowances. He exceeded his right and he acted foolishly when he appealed from the conference first to the Dominion government because the supersede its decision. The Imperial government cannot do it. The Imperial government nor the Dominion government cannot do it. The Imperial government nor the Dominion government cannot do it. The Imperial government nor the Dominion government cannot do it. The Imperial government nor the Dominion government cannot do it. The Imperial government nor the Dominion government cannot do it. The Imperial government nor the Dominion government tannot do it. The Imperial government nor the Dominion government tannot do it. The Imperial government nor the Dominion government tannot do it. The Imperial government nor the Dominion government nor the Dominion government nor the Dominion government tannot do it. The Imperial government nor the Dominion government tannot do it. The Imperial government nor the Dominion government nor the Dominion government tannot do it. The Imperial government nor the Dominion government because the Scotia can only draw such subsidies as best system by actually practising cobest system by actually practise cobest system by tario have agreed to. By the same rea- operation on the problems immediately

true then I say shame upon the city of Victoria. And I say shame upon Mr. R. L. Borden for the utter disregard of the interest of the British Empire which he revealed in his attitude on this Jap anese question. Yes, much greater shame. I can admit some excuse for the British Columbia people if, invaded and threatened as you were by Chinese, Jap and Hindu, threatened by a gen-uine peril, you lost sight for the moment in the immediate stress and men-ace of the situation of the wide Imper-ial problem involved and demanded eedy and drastic action to stop the invasion. But no such excuse can be sought to make use of your stress and danger for his own petty political advantage which Mr. Borden plainly did. That is exactly what he did. Borden Sought Party Gain

responsibility towards the Empire

Does an honest man deny his debts

"In this matter just as in the provin ial subsidies matter, Mr. Borden de content, and he assumed to his lasting tuous and improper interference deserves censure, as insincerity and false promises always deserve censure. And the end damaging the Empire, which do not forget this fact.—I was present and know it to be the fact—that the adin its every part. I charge him with

Laurier's course! Sir Wilfrid, with very little delay, with calmness, with patience, always with keen appreciation of your grievance and your dan ger, but always with a sense of Canopinions on these two matters may not accord with your opinions, but I wish very reluctant consent, and the only really barsh larger than the really harsh language used regarding as a duty to perform towards both the Mr. McBride's position was that used by Mr. Whitney, who held that British ada itself by actually co-operating up-Columbia ought to be content with the on immediate problems, Laurier, the regards the Jap but the Hindu as well.

Times commented on Sir Wilfrid Laurded the B. N. A. Act to make it lief that if the amount recommended lier's statesmanship as exhibited in the effective. It is a bargain between the provinces. If Sir Wilfrid Laurier now the larger amount. They admitted it was my good fortune to meet a numproposed to touch that arrangement to be a question for decision by the conthe careful and successful course of the compact or constitution, binding the Canadian prime minister in a way which made me prouder than ever of to disturb that interprovincial bargain merits severe condemnation. In making the promise which he made to you and Conservatives, and it can not properly be a question between the political parties here, further than that Mr. Borden's unwarranted and supporter of Sir Wilfrid Laurier. But can I believe my ears and eyes? Can it be true what I hear? Does the Ottawa Journal slander the the people of that city have condemned Mr. Templeman for supporting that policy and that course which the London Times and all British public men united in thinking to be praiseworthy

true that in the city of Victoria, of all

places, a Canadian minister has suc-

cumbed in defence of Imperial policy.

Yet if it be true of Victoria I have hope of better things from Yale-Cariboo. An Inter-Provincial Matter. "On these two subjects of the provincial subsidies and Japanese exclusion

Is it true that Hon. William Temple man has gone down to defeat in the uitra-English city of Victoria for the crime of courageous loyalty to the interests of the British Empire? It is a Tory journal which says so. If it is Organizations in Alberni Riding Are in Favor of

Clayoquot, Nov. 6. - At the general ciation held here on October 31st, and adjourned till November 2nd, many matters of local interest came up, the new members joined the association, making it, as H. C. Brewster, who was present, remarked, the strongest in the silver and is similar in character and Alberni riding. The matter of a disadmitted for the political leader who trict association for Alberni came up, and Mr. Brewster, who had been in ciations, was asked to inform the association how the matter stood. Mr. Brewster said that he had received

favorable reports from some associations. Alberni association will take up the matter at the next general meet ing. As the feeling in the Clayoquot association is strongly in favor of the nove, a district organization, with Alberni for the meeting place, probably will be formed. The Clovoquot associ ation has been using the Clayoquot school for the last year for their meetings, and donated \$10 to the trustees and a rental of \$2 for every meeting will be paid hereafter. After some fur-ther matters had been discussed the following resolution was put and en-thusiastically endorsed by the meeting: "That Mr. Brewster be tendered by this association a very hearty vote of thanks for the interest he has taken in the matters of this district, and that we, the Liberals of Clayoquot, promise him our unanimous support in any mat ters of public interest he may under take." Mr. Brewster in a few words, thanked the association for their endorsation, saying how glad he was having been enabled to be with them. After a motion welcoming the president, Mr. Chesterman, back to the chair again, to Hongkong had been reduced from lays the British sloop of war Shearthe vice-president, Mr. Stone, having presided the most of the year, the

Alc. Mable complained that a great

than as unpatriotic and unstatesmanlike. The statesman and the patriot seeks to quell dissatisfaction, not to provoke it, but Mr. Borden did his utmost to breed dissatisfaction in your

Borden's Eritish Columbia promise on the subsidy question was manifestly insincere. It was a promise which Mr. Borden had no right to make, which he could not carry out, and his only purpose in making it must necessarily have been the unpatriotic purpose of fomenting discontent and breeding agl-tation.

MARVELLOUS OAT YIELD.

Mable's complaint that the man refused to go out, saying he paid no attention to selicere. It was a promise which he sorden had no right to make, which he ould not carry out, and his only purpose of the statesman? Was it Sir Wilfrid Laurier's calm and sensible and statesman? Was it Sir Wilfrid Laurier or Mr. Borden who best full laurier or Mr. Borden who best full laurier or Mr. Borden who best full laurier or Mr. Borden who is to listed the duty devolving upon a Camadian public man according to Lord Minner, who says that to promote Imperial mity we must actually practice co-operation on immediate problems? Was insincerity in this pratter all you need to is to listen to what he said to Sa. skatchewan. You know Mr. McBrides skatchewan. The skatchewan and the problems of the prival problem followed a course of actual co-operation?

Sir Wilfrid Laurier's calm and sensible and statesmanilise and patriotic and successful course on this difficult Oriental ministry of the British for a wishy-washy kind of way for a week and caught one dog. He should attend to find the measure of Mr. Borden's insincerity in this pratter all you need to is to listen to what he said to Sa. skatchewan. You know Mr. McBrides skatchewan. You know Mr. Mc

STRIKE RICH LEAD.

McAllister Group in the Kootenay, Cut Into.

Kaslo, Nov. 10.-It is reported that the rich lead on the McAllister group, near Three Forks, has been cut into This property was leased and bonded about three years ago by W. G. Clark, Wm. Bennett and a few more Sandonites. About a year ago, some rich ore was struck a carload of which netted about \$8,000 smelter returns, enabling ceting of the Clayoquot Liberal Asso- the lessees to pay off the bond. A cross-cut tunnel to tap the vein lower down was commenced two summers ago and continued this season, culminating in success a few days ago. meeting being largely attended. Eleven McAllister comprises a group of dry new members joined the association, ore mineral claims up the north fork of Cornenter creek. The ore runs high it values to the Cobalt strikes. Before the present owners got a hold of it the property was worked in conjunction with the Rouse Fr., by Messrs. Hunter and Fairburn, of Silverton. They shipped steadily all one summer, when the paystreak petered out. It is impossible work this property in the winter as the snowfall is a constant menace personal safety, consequently only a short time remains this season for the owners of the McAllister group to de termine the extent of their find and endeavor to ship before the compulsory

> TARIFF REDUCTION ON FLOUR TO HONGKONG

Seattle Millers Grow Suspicious of Mills on Columbia River.

Seattle, Wash., Nov. 11.-There was an unexpected turn in the Oriental rates yesterday when W. B. Benson, agent for the trans-Pacific tariff bureau, announced that the rate on flour \$3.50 to \$3 per ton of two thousand water steamed out of Esquimalt harneeting adjourned till the next general pounds. This change is to take effect bor Wednesday on her cruise to the at once.
