the people of the Dominion of Causar and the United States under one Govern-ment." There is absolutely no desire shown in either branch of Congress for immediate annexation. There is a strong sentiment in favor of commercial union, and Mr. Butterworth has heretofore been looked upon as the champion of this idea because of his course in speaking for com-mercial union, not only in this country, but in Canada, and because of his previous a, resolutions having that object in view. Hut nenestruct at all all the estimates to status the fort of Salasoth hight, Off Salasoth's God grant and that Sala-coth's sight. 'Now it is come,'' said Sterne; and, says Macdonald, "Put up his hand as if to stop a blow, and died in a minute." His bocause of his course in speaking for com-mercial union, not only in this country, but in Canada, and because of his previous h, resolutions having that object in view. Hut nenestruct at all the test states to state the states to state the state to state the sta but in Canada, and because of his previous resolutions having that object in view. Those who know something of the sen-timent of the political parties in Canada say that Mr. Butterworth could not have more effectually injured the commercial union idea if he had tried to do so, and that the commercial unionists have been g umpelled to answer the claims of their or compendent that commercial union is any the claims of their supelled to answer the claims of their to be signed castle, beset with eager foes all ready to rush in, and faithful servants world and escape the last in dignity." Bailiffs hurried his body from the house, whilst dukes and earls wied with each other to do it honor. opponents that commercial union was other to do it honor. opponents that commercial union was simply a synonym for annexation. Fortunately, however, for those who favor commercial union, the Butterworth mentioned. Dickens, like Didgrot, died favor commercial union, the Butterworth resolution is not likely to receive cordial support in Congress. In fact, it is doubt-thi fit will ever be heard of again, unless Mr. Butterworth should introduce its duplicate in the next house. A great deal of pains has been taken, since it became known that the Cincin-nati congressman intended to take this step, to ascertain the sentiment toward the idea of annexation in both houses. Senator Ingalls, President pro tempore for the senate, expressed the opinion last night that it would take this country 25 years to educate itself up to the annexa-tion%point. Mr. Ingalls said he favored commercial union, and would support tion point. Mr. Ingalls said he favored commercial union, and would support any proposition having this object in view, but he was not inclined to favor any sobeme for political annexation between the two countries at present. Senator Evarts of New York, Chandler of New Hampshire, Hale of Maine, Dawes of Massachusetts, Stockbridge of Michigan and Allison of Jowa all expressed oppo-The greatest of them all wrote, "They think for themselves on the subject of sition to the Butterworth scheme. Mr. Bitto f Illinors, who will probably be chairman of the committee on foreign affairs in the pext House, was outspoken in his disapproval of the idea.
