IN THE CHURCHES.

**Eminent Strangers Occupy City Pulpits—
Methodist School of Missions Opens
This Evening in Centenary.**

Prof. Riddell, principal of the new Alberta College at Edmonton, Alberta, occupied the pulpit in Queen Square Methodist church yesterday morning. Prof. Riddell devoted some time to a talk on western Canada, its needs and possibilities.

Dr. A. O. Macrae, principal of West-ern Canada College, preached at both services in St. Stephen's Presbyterian church yesterday. In the evening he referred particularly to the needs of the west. Money spent on home missions was well invested. Such ex-pertures give a good return when spent for patriotic motives alone. The Canadian west is a far more law-abiding country than the American west and nothing will so much help to keep it so as church influence. He spoke of the Presbyterian mission work among the Mormons, a people who have ambi-tion for dominion in western Canada.

Rev. Mr. Kuhring of the Stone church preached an excellent sermon yesterday afternoon to a large con-gregation in Renfrew chapel.

The forty-seventh anniversary of Zion Methodist church was observed yesterday. In the morning Rev. W. W. Lodge, president of the N. B. and P. E. I. conference, was the preacher, and in the evening the pastor, Rev. Theo. Pierce, occupied the pulpit. Rev. Dr. Wilson, former pastor, gave a short sketch of the history of the church. The school of missions conducted by the Methodist church will open in Centenary school room at eight o'clock this evening, when a public meeting will be held. John E. Irvine will oc-cupy the chair and will deliver the opening address. He will be followed by Prof. Riddell of Edmonton, whose subject is Prayer and Bible Reading, and by Dr. Henderson, who will speak on The Present Opportunity in China. A short musical programme will also be carried out. A large attendance is anticipated at the school.

A number of prominent Methodists from other parts of Canada occupied pulpits here yesterday. Rev. Dr. Stephenson, of Toronto, preached in the evening in Portland street church. Rev. James Henderson, also of Tor-onto, assistant secretary of the Mis-sionary Society, spoke in the morning in Exmouth street church and in the evening in Queen Square church. Mr. Henderson is an impressive speaker and his sermons were greatly appre-ciated.

GREAT FUN.

The famous funsters and laugh gen-erators that have been collected from the higher ranks of minstrelsy under the banner of Richards & Fring's famous minstrel array of Senegambian talent have this season outdone all their previous efforts and have secured nearly all the well-known favorites for their production.

Novel and elaborate stage settings and costumes, which have taxed the artists' and designers' skill and inge-nuity, have been prepared to delight the eye, and the world of music has been probed to its innermost depths for the effects to charm the ear.

With Clarence Powell, clever Billy Young, Pat Bartlett, Pete Woods, Rob-ert Williams and a score of assistant comedians, the fun department is filled to overflowing. The biggest street parade ever attempted by a like organ-ization is one of the features.

NEW DRILL HALL NEEDED FOR ST. JOHN.

And It Should Be in Centre of City.

So Says Lord Aylmer, Inspector General, Who Inspected the 62nd Regiment Saturday—A Dinner for Him.

Lord Aylmer, inspector general of the colonial forces, arrived in the city on Saturday and in the afternoon inspect-ed the 62nd Fusiliers. Lieut. Col. Edwards and Major Hart put the brigade through field manoeuvres while Major Magee put them through the at-tack and defense tactics.

Lord Aylmer was tendered a dinner at the Union Club by Lieut. Col. M. B. Edwards and officers of the 62nd Fusiliers. The officers of the 62nd present were as follows: Col. Sturdee, Col. Walker, Col. Edwards, Col. March, Major Ma-gee, Major Hart, Capt. Gillespie, Capt. Smith, Capt. Perley, Capt. Sippell, Capt. Frost, Capt. Morrison, Capt. McAvity, Capt. Earle, Capt. Hether-ington, Capt. Walker, Capt. Peters and Capt. Churchill.

The guests besides Lord Aylmer were Col. G. Rott White, Col. G. W. Jones, Col. Wedderburn, Col. W. W. White, Major McLaren, Capt. Mar-shall, Chaplain Richardson and Messrs. Stanbury, McKay, Dowden, Sancton, Brown, March, Fleetwood, Fox.

Capt. Churchill occupied the chair. Col. Edwards proposed the health of their guest. Lord Aylmer in rising to respond was greeted by a storm of ap-plause. He heartily thanked the offi-cers for the kindly reception given him and the treatment he had received at their hands since coming to St. John. Referring to the dilapidated condition of the drill shed his lordship said he would do his best to remedy this state of affairs if they would have patience to wait for him.

There was no doubt but that the militia were sadly in need of new quarters. His lordship referred briefly to the new order of things now existing in the militia department—having an army council, an inspector general, etc. Lord Aylmer said these were tending to improve greatly the condition of the militia.

As His Lordship resumed his seat he was warmly applauded by the guests. Canadian militia.

Other speakers were Col. G. R. White, Col. Edwards, Lt. Col. Jones, Col. Armstrong and Col. W. W. White. Songs were given by Lieut. March, Capt. Gillespie and Capt. Peters.

In an interview Lord Aylmer said that a drill hall should not be on the flank of a city. It should be in the centre or as near the centre as possible. I am not familiar with St. John, he said, but from what I have already observed I should say that some of the men, when attending drill, find it neces-sary to walk a mile and more before they arrive at the hall, for it is hardly possible that they all live within easy reach of the place.

"When men drill under such circum-stances you can hardly blame them if they criticize the location of the hall. Indeed, it would not be surprising if they should refuse to put up with the inconvenience of such a long walk. A man is an exceptionally good soldier when, after a day's work, he goes through his drill and is content to cover such a distance twice."

DISASTROUS FLOODS.

BRIDGEPORT, Conn., July 30.—A rainfall of seven inches which swept across Connecticut last night flooded out the city sewers and caused the water to overflow into cellars and houses. At Easton, north of this city, Ward's mill dam was broken down by the flood, and the water poured through the town of Trumbull. The Berkshire dam also gave way, and several farm houses were swept away, though it is thought that only one man, Michael Moran, has been drown-ed. The shipping in the harbor was also damaged.

At North Bridgeport the water pour-ed over Barnum Ave., and Wm. Kowalski driver of an ice wagon was drowned.

JOHN MCGOLDRICK.

D. A. R. LINER ASHORE IN DENSE FOG.

BOSTON, July 30.—A dense fog and high sea put the str. Prince George of the Dominion Atlantic railway, ashore for a short time on a sand bar in the lower bay today. No damage was done the steamer, which brought 100 passen-gers in a rough passage from Tor-onto, N. S., and landed them two hours late.

The fog interfered considerably with coastwise and excursion steam-ers, some of the latter remaining in their berths all day, the drizzling rain making excursionists scarce.

YACHTING

R. K. Y. CLUB RACES.
In the yacht races at Millidgeville Saturday the Grace M. won the class A, and the Phantom the non-cruisers' event. But two of the three entries for the former class started, the Grace M. and the Robin Hood, the Privateer withdrawing on account of not being able to secure a crew.

The latter race proved by far the more interesting, or what there was of it as the Glencairn dropped out after twice fouling the Phantom and sailing but three-quarters of the race.

Geo. Holder and Horace King were the judges in the first race, which was over course of the Grand Bay course. In the second race over course D to a buoy off Sand Point on the Kennebecasis, thence to Bear's Head in Grand Bay and back to a buoy off the club house and across the line, this course twice over, making ten miles.

The Glencairn had to allow the Phan-tom thirteen minutes and forty-five sec-onds time allowance. When the Glen-cairn dropped out she had a lead of seven minutes.
