The community was shocked this morning to learn of the death of Dr. Ferdinand L. Pedolin, ex-Mayor. Dr Pedolin was around as usual yesterday, rode several miles on his motor cycle last night and was apparently in his usual good health at twelve o'clock when one of his daughters bade him good night, just before she retired. He was then in his office, and shortly before six o'clock this morning his eldest daughter, Miss Ada, found him dead in his office. Dr. Nicholson was summoned from just across the street, but he found life extinct. Heart failure was the cause of death.

Dr. Pedolin had always enjoyed good health, was a hard worker, and never, until a month ago even complained of feeling tired.

He would have been 64 years old next month. He was born in Fredericton. He practised first in Dalhousie, then in Hartt's Mills (near Fredericton Junction), again at Doaktown, and since January, 1885, in Newcastle, in which town and surrounding country he was a successful and immensely popular physician, sparing no pains to serve his patients, whether rich or poor. He was an elder in St. James' Presbyterian church here, and took a deep interest in public affairs. He served several terms as alderman, and for the year 1911-12 was Mayor of Newcastle. For several years he had been manager of the N. B. Telephone Co., and was as popular in this business as in his medical practice. Recently he purchased a large farm within the town limits and was making a success in practical agriculture.

His wife who was Miss Mary Fowler, of Doaktown, predeceased him twenty years. The following children survive: Miss Ada J. D., at home; Percy L., Montreal; Minnie I. F. and Lily B. S., at home.

Deceased was a prominent member of both the Masonic and Orange orders.

The funeral of Mrs. Thos. W. Lawlor, of Red Bank, who died Thursday evening, aged 37, leaving three small children—a son and two daughters—took place at Red Bank today, Rev. Father Duffy conducting services. Mrs. Lawlor lost both parents (Mr. and Mrs. Patrick Murphy) recently and her husband less than a year ago. The following brothers and sisters survive: Howard Murphy, Redbank; Joseph, Dakota, U. S. A.; Mrs. Wm. Sheasgreen and Mrs. James Sheasgreen, Southesk; and Miss Lily Murphy, Redbank.

The following have been elected by Newcastle Division No. 45 S. of T., as delegates to Grand Division which meets at Corn Hill, Kings county, next Thursday:—Alderman James Falconer, Ald. H. H. Stuart, Rev. Dr. Harrison, Donald McGruar, Blair W. Hutchison, Mrs. A. B. Leard, Miss H. M. McLeod, Miss A. Bockler, Miss M. McGruar, Miss M. J. Dernnett and Mr. and Mrs. L. R. Hetherington.

## Would Spring Out Of Her Bed.

### She Was So Nervous.

Diseases of the nervous system are very common. All the organs of the body may be sound while the nerve centres may be affected.

Many women become run down and worn out by household cares and duties never ending, and sooner or later find themselves with shattered nerves and weak hearts.

On the first sign of any weakness of the heart or nerves, flagging energy or physical breakdown, do not wait until your case becomes hopeless.

Get a remedy which will at once quiet the nerves, strengthen the heart, and build up the whole system.

Avail yourself of a perfect cure by using Milburn's Heart and Nerve Pills.

Mrs. E. Beers, Upper Main River, N.B., writes:—"I have used Milburn's Heart and Nerve Pills for over three months. I was so nervous I would imagine everything, and would spring out of my bed at night.

I tried the doctors, but they did me no good. My brother advised me to take Milburn's Heart and Nerve Pills, which I did, and I can give them the greatest thanks, as they completely cured me."

Price, 50 cents a box; 3 boxes for $1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

The output in all departments were exceptionally good and results show records at the coke ovens and blast furnaces, the outputs being surprisingly large. The previous record in coke was made a few months ago, being approximately three thousand tons below the May figures. The pig iron output was 1250 tons in excess of April the previous record month.

### NEWCASTLE NEWS.

Newcastle, June 7.—On Wednesday afternon at Lower Derby the marriage took place of Miss Frances Margaret, daughter of Mr. and Mrs. George Barron, to Alexander Renshaw, now of Millerton, but formerly of Lancashire, England. Rev. W. J. Bate performed the marriage ceremony.

Mr. and Mrs. George Flett, of Boston, were in Newcastle during the week.

Mrs. W. F. Buckley, of Harcourt, spent the week-end in town a guest of Mrs. J. D. Buckley.

Miss Williams arrived last week from England and is a guest of Mrs. H. T. Cousins.

Mr. and Mrs. William Ferguson and children of Bellingham, Wash., arrived in town this week, called here by the serious illness of Mrs. Gremley.

Miss Sadie Hogan, who has charge of the Harcourt Superior School in the absence of the principal, Miss Louise Crocker, spent the holidays with her parents here. Miss Crocker is attending the World's Students' Christian Federation at Mohawk Lake, New York, as a delegate from the Maritime Provinces. Her mother, Mrs. James Crocker, of Millerton, accompanied her as far as Boston to spend the two weeks with friends.

The marriage of Miss Andrena Mather, daughter of Mr. and Mrs. Andrew Mather, of this town, to John Ryan took place on Monday evening at the Baptist parsonage, Whitneyville, Rev. W. E. Piper, B. A., officiating. Mr. and Mrs. Ryan will reside in town on Pleasant street.

Mrs. James Ryan has returned from a trip to New York.

Miss Minnie Pedolen of the Harkins' Academy teaching staff has resigned her position the end of this month.

John Lawlor, son of R. L. Lawlor, has been appointed to a position in the general freight agent's office at Moncton.

Charles Maroney has sold his residence on King's Highway to Charles Stothart. The announcement of Mr. Stothart's marriage to Miss Nellie Tingley was made some weeks ago.

A very interesting function was the opening ceremonies of the new bridge which occurred here on the King's birthday. At 3.30 in the afternoon the bridge superintendent, Mr. Wentworth, mounted the casing of No. 2 pier with the chief commissioner, Hon. John Morrissy and A. B. Wetmore, chief engineer, and introduced the chief commissioner to the gathering. Mr. Morrissy deftly struck the first spike on the head and when it was driven home the audience gave three rousing cheers and a tiger for the commissioner, and the new bridge.

Mr. Morrissy then addressed the gathering in his usual optimistic and happy manner. He told the people when he was elected their representative he expected to have a bridge across the Miramichi and he felt confident now that Newcastle was the best place to build it. If built further down the river it would spoil Chatham and Newcastle as shipping ports, and the draw would be open continually. Continuing, Mr. Morrissy said he believed the bridge would be completed in eighteen months, and the piers would be up before the ice makes in the fall. There was prolonged applause when Mr. Morrissy finished his address. A number of people then took advantage of Mr. Wentworth's invitation to look through the different departments and later assembled in the main office where refreshments were served. Those present enjoyed the occasion immensely.

Miss Martie O'Donnell is spending this week in St. John.

William Hawker, who has been confined to his house for a few days, was able to be out again on Saturday.

TIRED FEET

It's not the rush of society that tires women out. You just put a pair of Scholl "Foot-Eazers" in your shoes and note the grateful change. Just imagine the weight that bears directly on the arch of the foot. The shoe man is blamed for corns, bunions and foot troubles. But it isn't the shoes at all. Wear a pair of Scholl's "Foot-Eazers," and headache, backache, tired limbs and a hundred other distresses disappear. Sold by all druggists and shoe dealers and made by The Scholl Mfg. Co., Ltd., 214 King Street, E. Toronto.
