PREMATURE  
PEACE MOST  
INADVISABLE

Lloyd George Wants to Avoid  
 Great Disaster to Mankind—  
 Russia Regaining Strength.

Glasgow, June 29.—Discussing the  
 question of peace today, Premier  
 Lloyd George said that if the war  
 should be concluded a single hour be-  
 fore the Allied powers reached the end  
 they set out to attain at the beginning  
 of the war, it would be the greatest  
 disaster that ever befall mankind.

"In my judgment," said the prime  
 minister, "this war will come to an end  
 when the Allied powers have reached  
 the end and they set out to attain when  
 they accepted the challenge thrown  
 down by Germany to civilisation. Then  
 this war ought to come to an end; but  
 if it comes to an end a single hour be-  
 fore, it will be the greatest disaster  
 that ever befall mankind."

Ready for Peace.  
 "I hear people say that Germany is  
 ready to give us satisfactory peace. No  
 doubt you can have peace now at a  
 certain price, for no doubt Germany  
 wants peace; but it is a peace which  
 would give her economic and other  
 control over the countries which she  
 had invaded."

"Russia will regain her strength  
 with a bound, and become mightier  
 and more formidable than ever," Lloyd  
 George continued. "Although these  
 distractions had the effect of postpon-  
 ing complete victory, they made vic-  
 tory more sure than ever, more com-  
 plete than ever, and what is more im-  
 portant, they made surer than ever  
 the quality of victory."

**THE POLICE COURT.**  
 A man who arrived from Boston on  
 Thursday with a jag and a partly filled  
 bottle of whiskey, left a deposit of  
 money in the police court yesterday  
 for his appearance again on Tuesday.  
 He was told he left himself liable to  
 a fine of from \$50 to \$300.

Charles O'Regan was fined \$10 for  
 exceeding the speed limit on Main St.  
 A case against J. F. Tilley for not  
 sounding his auto horn on the 20th  
 inst., was adjourned until Tuesday to  
 have the chauffeur present.

Fred Hazen was fined \$4 for allow-  
 ing a wagon loaded with sand to stand  
 on the Marsh Road sidewalk.

STRENUOUS WORK  
SOON TELLS ON YOU

Business Men and Breadwinners  
 the Victims of Nervous  
 Exhaustion.

When worry is added to overwork  
 men soon become the victims of per-  
 vious exhaustion—neurasthenia—the  
 doctor calls it. Some have to reserve  
 strength in their systems to bear the  
 strain; others overtax what strength  
 they have. If you find that you are  
 nervous and not sure of yourself, that  
 you sleep badly, and wake up tired and  
 aching, your nerves are out of order.  
 Other signs are inability to take proper  
 interest in your work; your appetite  
 feeble; your back feels weak, and you  
 are greatly depressed in spirits. One  
 or more of these signs mean that you  
 should take prompt steps to stop mis-  
 chief by nourishing the nerves with  
 the food they thrive on, namely the  
 rich, red blood made by Dr. Williams' Pink Pills. These pills have cured  
 thousands of cases of nervous disor-  
 ders, including nervous prostration,  
 neurasthenia, St. Vitus' dance and partial  
 paralysis. Here is an example. Mr.  
 P. H. Callan, a well known business  
 man in Coleman, P. E. I., says: "I owe  
 my present health, if not life itself, to  
 Dr. Williams' Pink Pills. I had always  
 been an active man, and when I began  
 to run down in health paid little atten-  
 tion to it as I thought it only a tem-  
 porary weakness. As time passed,  
 however, I found myself growing  
 worse, and consulted a doctor, who  
 said that I was not only badly run  
 down, but that my nervous system  
 was badly shattered. I lost flesh, my  
 appetite was poor, I slept badly and  
 notwithstanding the doctor's treatment  
 grew so weak that I had to leave my  
 business and was confined to the house.  
 Time went on and I was steadily  
 growing weaker, and my friends were  
 all greatly alarmed for my condition.  
 In this condition I was strongly recom-  
 mended to try Dr. Williams' Pink Pills,  
 and as the doctor's medicine was not  
 helping me I decided to do so. By the  
 time I had used three boxes I could tell  
 that they were helping me. When I  
 had taken eight boxes of the pills I felt  
 able to attend to my business again,  
 and people were surprised to see me  
 out. I continued the use of the pills  
 until I had taken twelve boxes, by  
 which time I was feeling as well as  
 ever I did, and was being congratulat-  
 ed by all my friends on my full resto-  
 ration to health. I feel now that if I  
 had used Dr. Williams' Pink Pills at  
 the outset I would not only have saved  
 much money spent in doctor's bills,  
 but would have had renewed health  
 sooner. I cannot speak too highly of  
 this medicine, and would recommend  
 it to every man who feels weak, ner-  
 vous or run down."

You can get these pills through any  
 medicine dealer or by mail at 50 cents  
 a box, or six boxes for \$2.50 from The  
 Dr. Williams' Medicine Co., Brock-  
 ville, Ont.

MAINE MAN  
SLAIN AT  
TWILIGHT

Was Either Deliberately Mur-  
 dered or Was Mistaken for  
 a Deer by Poacher.

Bangor, Me., June 29.—The authori-  
 ties are investigating the death by  
 shooting of Oscar Mayo, a prosperous  
 farmer who lived two miles from Milo,  
 on the Medford Road. Whether Mayo  
 was murdered or mistaken for a deer  
 by poachers is a matter of conjecture,  
 although the latter theory is the more  
 probable one.

One of Mayo's children, who was  
 with him at the time of the shooting,  
 says that his father was inspecting his  
 oat field about dusk when someone  
 fired two shots. The first bullet whistled  
 over their heads, but the second  
 struck Mayo with fatal effect. Deer  
 have been plentiful about the Mayo  
 farm and it is possible the slayer mis-  
 took the farmer for an animal in the  
 dusk. The offense, whether murder  
 or otherwise, calls for imprisonment.  
 Mayo was thirty-five years of age  
 and leaves a wife and seven children.

London, June 29.—Money was in bet-

 steady. The stock market closed firm  
 after a quiet session in which most of

 well maintained with further appre-

 Iron and steel stocks were narrow.  
 The close was dull. The market will
