(McDOUGALL & COWANS) New York, Aug., 17—Trading this	from the surprise it received when a person who had gone away as "Miss Cora" Norton, returned from a trip to the White Mountains with "her" teach-	don't hink that is any of the public's business." "When are you going to get married?" was the next question. "That is for Mr. Norton to eay," she replied with feminine corness.	vance of 2 1-2—Shippings Close Strong.	October contracts not only seling into new high ground for the season bu above the best level reached previous ly on the bull movement of early las spring and 97 points above the clos- ing prices of yesterday. The encourag
Eastern Securities Co.	As was quite natural, interest was confined largely to discussion of the provisions which the war tax bill will contain and the probable effect on securities. During the first hour the list showed an average decline of about	wed Miss Foster by filing marriage in- tentions at the office of the town clerk, People are still wondering how it could be that "Miss Cora," who now announces "his" name to be "Mr. Eugene" Cody Norton could have fool-	original intention of not giving out any statement until he had seen Governor Milliken in regard to his draft status. He had absolutely nothing to say. Attired in a neat fitting cheap suit, he would not be mistaken for a girl. His hair, formerly long,	snort west-end session was oversman- owed by steady buying of Liberty 3%'s which sold at the highest quotation in their history closing at 100.50 against the previous maximum of 100.30. Dealings in this issue were relatively more extensive than in the 4's and	the strength of the market which was also influenced by the continued dry weather in the southwest and more numerous crop complaints from the
Jas. MacMurray, Managing	American Telegraph and Telephone Co., General officer and General Elec- tric, all of which were strong, and American Sumatra and Hide and Lea- ther Preferred which were weak. American Telegraph and Telephone Company with its recent successful	sure, it was noticed that he had a rather masculine voice for a girl, and that he was exceptionally capable at doing chores, taking care of more than 20 cows at one time. A "Mr. Eugene" Cody Norton, did not wish to astonish officials last year	than that of most young men. His hands were softer and whiter than the average masculine hand. His feet seemed to be of average size. He sat with his feet crossed like s girl and made feminine gestures as he nervously adjusted his collar. But he	44's which were barely steady. After the markets close 100.50 was bid for the 34's with 101 asked. Important stocks continued to more within coa- tracted limits, steels and investment issues showing variable recessions at the close.
