The death of Daniel McAlpine oc-

The Leamington Post says:—It is
estimated that Leamington concerns
will contribute over \$1,000 in assen-
sments to the Workmen's Compensa-
tion Board. As far as can be learned,
there is a good deal of dissatisfaction
expressed here with the assessments,
it being felt that the inequalities are
too great. Among the more heavily
assessed are Ed. Smith, of the basket
factory, who is called upon to pay \$250.
The Ludlum-Ainslie Lumber Co. is
down for \$180; H. Turner, painter,
\$80; Grant Lane, painter, \$40, and
Cole Cullen, marble-dealer \$18.50.

A man of wide experience in sheep
raising has offered the following
scheme to prevent loss through dogs
chasing the flock. If a man has, say
forty sheep, he should buy about two
dozen bells, similar to a cow bell, but
smaller, and tie these to the sheep.
It is a peculiar thing that a dog will
not bother a sheep if it has a bell on
its neck, and this is a real solution of
the problem. This man followed the
above scheme and kept sheep a short
distance from the city for twelve years
and did not lose one. His neighbors
would not follow the advice and three
sheep were killed in one night on the
next farm. The plan is worth a trial
anyway.

also the Dominion Egg and Wool Ex-
hibits. Music will be furnished by an
orchestra, and lunches will be served
in the building.

Prize lists and full information may
be had on application to A. McKillop,
president, or T. W. Sims, secretary,

MUNICIPAL ELECTIONS

Official Returns from Mosca and
Metcalfe.

The return by acclamation of the
old councils in Glencoe and Ekfrid and
the return by acclamation of the reeve
in Mosca left but little local interest in
the municipal elections on Monday.
Results of a contest for councillors in
Mosca and reeve in Metcalfe are given
below:

Local Option Returns.

Local option contests were smaller
in number this year. By-laws were
passed in six places—Holland Landing, Jarvis,
Newbury, West Lorne, Palmerston
Township and Harwich Township.
In nine cases the three-fifths re-
quirement prevented the carrying of
the by-law, in spite of a majority. In
only four cases was there a straight
majority against the by-law.
No repeals were sustained, votes be-
ing taken in nine municipalities.
There are three municipalities yet
to hear from.

Five Months' War.

Foreign statisticians have computed
that five months of war has cost the
nations involved 6,000,000 men killed,
wounded and captured and \$7,000,000-
000. These figures are subdivided as
follows:

LOSSES

GREAT BRITAIN—800 officers killed,
4,000 wounded; men 15,000 killed, 60-
000 wounded, 25,000 missing.
FRANCE—Total casualties, 1,100,000,
of whom 180,000 have been killed.
RUSSIA—Total casualties, 1,800,000,
of whom 250,000 have been killed.
BELGIUM—30,000 killed, 68,000
wounded, 35,000 captured.
SERBIA—Total casualties, 170,000;
captured, 80,000.
GERMANY—250,000 killed, 850,000
wounded, 400,000 missing.
AUSTRIA—Total casualties, 1,500,000,
of whom 100,000 have been killed.

EXPENSES

GREAT BRITAIN—\$225,000,000 a
month, or \$1,225,000,000 at the end of
the year.
FRANCE—\$300,000,000 a month, a
total of \$1,500,000,000.
RUSSIA—\$250,000,000 a month, a
total of \$1,750,000,000.
GERMANY—\$300,000,000 a month, a
total of \$1,500,000,000 at home, in addi-
tion to paying the expense of her ally,
Turkey.
AUSTRIA—Estimated to total \$1,100,
000,000.

In addition, all warring nations
have lost perhaps as much as they
have spent by paralysis of com-
merce and industry. Owing to this
tremendous cost, financial authorities
say the war must end within the next
five months.

Methodist Anniversary.

Anniversary services will be held in
Glencoe Methodist church on Sunday,
Jan. 10, when Rev. R. W. Knowles,
M. A., Ph. D., of St. Thomas, will
preach morning and evening. Special
music will be rendered by the choir,
and a special offering is asked for.
On Monday evening the Ladies' Aid
will hold their annual tea meeting.
An excellent supper will be served
from 6 to 8 o'clock, after which a re-
creation program will be rendered, con-
sisting of addresses, solos, duets,
quartets and selections by the choir.
Miss Irene Plewes, graduate in elocu-
tion, of London, will give several
readings.
Admission to tea and entertainment,
35 cents.

Died in the West.

The funeral of the late Mrs. Etta
Campbell, who died at Redvers, Sask.,
took place Saturday afternoon from
the residence of her daughter, Mrs. D.
McRae, Strathroy, to Oakland
cemetery, the funeral services being
conducted by Rev. Mr. Haig, of West
Lorne.

Mrs. Campbell, who was the widow
of the late John Campbell, of Oran,
was very highly respected in the
neighborhood where she lived during
her entire married life. A few years
ago, after the death of her husband,
she moved with her family to the
West, where she has since resided.
Her maiden name was McIntyre and
she was Scotch by birth. She was a
life-long Presbyterian. She leaves to
mourn her loss her sons—Duncan,
John and Colin, of Manitoba; Dan,
of Saskatchewan, and Archie, of Edmon-
ton, Alberta; and three daughters—
Mrs. W. J. Webster, of Oran, and
Mrs. D. H. McRae and Mrs. David
Allan, of Strathroy.

Agricultural Class.

The Agricultural Class under the
direction of the Ontario Department of Agri-
culture started in the Town Hall,
Glencoe, on Tuesday, Jan. 5th, with
an attendance of eight. It is hoped
the number will increase as time goes
on. The work taken up is practical
and of use to every farmer, especially
the young man.

In Tuesday forenoon The Forma-
tion of Soils, Soil Fertility and Fer-
tilizers were discussed in the after-
noon and Wednesday Dr. Reed, of
Georgetown, discussed Lampness of
the Horse, and Disease and Treatment
of Horses and Cattle. On Thursday
Mr. Reeves, of Humboldt Bay, will talk
on Vegetable Growing and Canning
Factory Crops. Friday Field Crops
will be discussed and a trip made to
D. M. Webster's farm for practice on
judging horses and cattle.

The work will continue for several
weeks. You cannot afford to miss the
lectures if you are interested in agri-
culture. Attend regularly, if possible,
but come when you can.

Patriotic Shooting Match.

A shooting match held by Walter
Hailstone at his farm near Strathroy
on New Year's Day was a great suc-
cess, and as a result Mr. Hailstone has
hailed to the treasurer of the Patri-
otic Fund the sum of forty dollars, the
amount of the net proceeds.

Good scores were made by those
participating in the match. At the
100-yard range, Henry Moore and
James Dymock scored bullseyes, and
David McIntyre and Dr. Webster
were close seconds. At the 50-yard,
22-rifle, range, Kenneth Urquhart, Ir-
vin Walker, Dr. Webster and Dan
Sinclair made the highest scores, the
first named winning the special. The
shotgun competition was closely con-
tested, Joseph McIntyre and M. L.
Farrell winning the specials.

Hearty thanks are due to Mr. Hail-
stone, manager of the affair, as also to
Kenneth Urquhart, and Carmichael
Squires, his assistants, and to the
neighbors and others who contributed
fowl and otherwise helped for the oc-
casion.

'WAY DOWN SOUTH

Where Christmas Was Like a June
Day in Canada.

P. O. Box 1882,
Los Angeles, California,
Dec. 28th, 1914.

To the Editor of The Transcript:

Dear Sir,—In addition to tendering
you my remittance for the renewal
subscription to the Transcript for the
year 1915, and thanking you for the
prompt despatch of same during the
year closing, I beg to ask your in-
dulgence by sending through your
"Greetings" to our many friends with
whom it is impossible to keep up even
an occasional correspondence individ-
ually; therefore, let us hope they are
fortunate enough to be readers of the
Transcript.

At this season of the year it seems
quite natural that we cast our eyes
and turn our thoughts in two direc-
tions; we reflect on the past year that
has brought about so many changes
to each of us, and we look away in the
future wondering what it has in store
for us. And much more so, as a na-
tion, as I believe every intelligent
loyal Canadian realizes this is a criti-
cal period in our history. I say "our"
because I have been too long a Briton
to make anything else, and in fact it
seems at present I have no choice as I
am informed I have to be a resident
here for five years before I can become
a naturalized citizen. So you will
understand that I am at present like a
man without a country.

We get plenty of the war news in
the Los Angeles papers, but we prefer
the old reliable; hence in addition to
the Transcript, we get both Toronto
and Montreal papers.

Glad to note the highest type of
loyalty of our Canadian people as a
whole and to the hearty response of so
many to the call-to-arms of the best
young men of the country. Victor,
when
