WYLD, GRASETT & DARLING

Why?

There is a reason for every success. It either fills a long-felt want, corrects a mistake, or is an improvement on the then-considered best.

In Dress Stays two faults have long been apparent. They would either bend out of shape or cut through the dress.

Brush's Peerless Double Dress Stay

Is a success because it overcomes both these faults. Made of double steels, one placed above the other, with the ends so secured as to make it impossible for them to cut through the dress, it is more pliable than any other Dress Stay, and cannot bend out of shape. Neither will it melt apart from the heat of the body.

Made in Black, White, Drab, Blue, Pink and Old Gold. Sizes, 6 to 10 in. Put up in half-gross boxes or in sets of 9 steels.
