BUFFALO, June 23.—Three or four hundred people went to Olympic Park to-day to see Buffalo and Syracuse play. The rain came down in torrents during the game, but each side was alternately clamorous to go on, expecting to win, that Umpire West stood it as long as he could, but wheh in danger of being drowned he called the game. Seven innings had been played without either side scoring. When the game was finally called the Buffalo were at bat and had men on second and third bases. They implored the umpire to let the game proceed but the Syracuse team kicked so vigorously that he had to give in. The Buffalo battery was Walsh and Smith, and the Syracuse Sheppert and McCloskey. Buffalo had 6 base hits and 2 errors, Syracuse 6 hits and 3 errors.

The Rain It Raineth.

Between sixty and seventy people made the pilgrimage over the Don yesterday to see the third match between the Torontos and Oswegos. Owing to the heavy rain of the morning and aight previous the grounds were in anything but a fit condition for playing. Consequently Umpire Harrington announced that the game stood postponed. The date of its being played is only a matter of conjecture, but it will probably be about Aug. 2.

This afternoon the Torontos begin a series of three games with their great riwals, the Uticas. The game will be called at 4 oclock, sharp. The Uticas have lost one game less than the Torontos and consequently upon the results to-day, to-morrow and Saturday depend the question as to which clab shall stand second in the race for the pennant. Utica has played four less games than the Torontos, her present record being 17 won, 10 lost, against 20 won and 11 lost by the home club. It will thus be seen that the prospects of three good, close games of real base ball could not be more favorable. In fact, all the present series of home games promise to be intensely interesting.

The progress of medical enlightenment has led to the abandonment of many antiquated remedies of questionable value, and the adoption of newer and more rational ones. Prominent among the latter is Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, the justily celebrated Blood Purifier, a comprehensive family remedy for liver complaint, costipation, indigestion, loss of physical energy, and female complaints.
