

SOMETHING HAS BEEN DONE!

Planning, teamwork and courage have resulted in a positive gain for every employee in the general service bargaining unit of the provincial government. \$75 per month or 7%, whichever is greater, will be added to their salaries as an interim adjustment. Our members' steadfast support of their union resulted in these positive negotiations. And you can be sure that future negotiations will result in even more gains.

MORE WILL BE DONE!

Civil Service Association of Alberta

classified
