Intramural Hockey All-Stars to Play Senior Varsity

The Senior Varsity Hockey team has accepted a challenge from an All-Star team of the Intramural League. Tentative date for the contest is Sunday afternoon at the the Alexander Rink.

The brand of hockey played by teams of the "Blood and Guts" circuit has often been the subject of much discussion. The general view is that it is typical bush league, lacking orthodox plays. Well might the play be disorganized. Many of the players join the teams for the sake of having exercise and fun and among these the incentive to win is lessened. This does not help to give a good brand of hockey.

However there are also quite a few players in the league who have had loads of experience. These include students who had terms on the senior squad-players of the calibre of Ian Sewell, Cecil Smith, Ron Ketch, Bill Matheson, Art Ingersoll, Punchy Walker and Russ North-There are also other players of high ability who have not tried out for varsity due to a variety of reasons. Ross Sheppard, Bob Duke, Art Mosher, Remy Ouellette, Bruce Kelly, Al MacDonald, Bob Mackey, Ev Boyles, 'Shutz' Miller, Rudy Hanusiak, Rocket Porier, Bushell and Bill MacLean are good examples of the latter group and they are good hockey players. There are many others.
