

took place the average  
day - the fall in our  
3 1/2 from 100 to 106 in  
the E. P. R. having lost  
such 15 millions on the  
year took 95 with our  
debt for 3 1/2 for  
50 years - of 12,000,000  
of bond and our average  
price of £95-1.0 per cent.  
have been worn by our  
gratulation by our abolition.  
The reason of our  
also was a poor of people  
in the foreign and  
most we would in the stock  
making of our  
agencies and only give in  
they would only give in  
95 for N. S. 6 in 1865. all the  
N. S. then had better suit  
than any British Province.  
We were a time nearly  
one or two with our  
which there a year  
hope to lead for our

I am by the paper, that  
your communication has  
last Friday - I have got  
them when then to wish for  
your election by accla-  
mation - I would have  
been proud to have a large  
majority would be better  
for the future - I am  
glad to hear that the  
other side has been  
recommenced unanimously  
I hope he will have no  
difficulty - I hope you  
are ever the same  
will please be in answer  
my heart of the country,  
my faithful friend you  
on paper - I am the sea  
will explain the sea  
- I am of my noble being  
able to wish that it
