Confidential. Long interview Colonial Minister

last night. Imperial Government will support fast

Atlantic service to extent 275,000 vessels similar to

Teutonic, but will require Canadian Government invite

new tenders. Agents General and self to meet Colonial

Minister Tuesday re cable. Have no doubt Government

will support proposal and appoint commission at once to

arrange details. Pending declaration policy *Imperial* Her Majesty's

Government think it unadvisable show Fleming's letter of

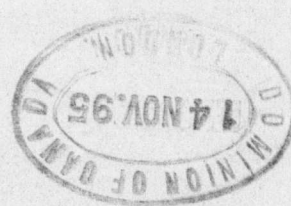

October 11th to Agents General. Will advise you result

of meeting. Shall I come out consult you about these two

matters. Think could render you material assistance.
