

4<sup>th</sup> July 2

Sir,

In reply to your letter of the 13<sup>th</sup> Ultimo I have to request that you will be good enough to ascertain and report to this Department what would be the best way of ventilating the School room and the cost of the same,

You will also be good enough to inform the Chiefs that the School room should not be used for the holding of Councils, except on matters of importance, as it interferes with the instruction
