Add to the last paragraph of the article itself,
galley 85, the following, marked D: - not breaking the
line -

Nor can we afford to forget, as we look
across the Pacific, that we also face a continent
which for five years past has been in arms; and
that the most powerful of the warring nations in
the East is an Axis partner of Nazi Germany. In
whatever direction we look out from the western
hemisphere, we see a world ravaged by the fires,
torn by the destruction, and convulsed by the horrors
of war.
