

This small magazine, of which only a small number of copies were printed, is of great rarity and is very seldom to be found complete.

It contains some very important historical documents from the archives of the Quebec Seminary, the Laval University and the Archbishop Palac.

257b. "Bulletin des Recherches historiques. Lévis 1895-1905 10 vols 8vo. in numbers as issued, complete. \$40.00

A unique historical magazine which may be called the Canadian Notes and Queries. It contain a score of historical informations not to be found any where else. The five first volumes are very scarce and unobtainable.
