REVIEWS OF VOLUME II.

Daily Telegraph.

"If any student of the war is in search of a plain statement, accurate and chronological, of what took place in these dynamic sequences of onslaughts which have strewn the plain of Ypres with unnumbered dead and which won for the Canadians, the Indians, and our own Territorial divisions immortal fame, let him go to this volume."

Times.

"Will be read with eagerness by all and they are very many—to whom the title of a husband's, a son's, or a brother's battalion is the most welcome, albeit perhaps the saddest, sight that there is in the world."

JAMES DOUGLAS in *The Star*.

"It does justice to the English regiments whose incredible gallantry has been so long obscured by the malignant imp of anonymity. . . . The tragic story of Neuve Chapelle is told with a great deal of fresh detail. . . . The immortal story of the Second Battle of Ypres is full of new touches and new facts. . . . Many an officer has told me that the defence of Ypres was a miracle. Conan Doyle helps one to understand how miraculous."

Professor A. F. POLLARD in the *Daily Chronicle*.

"Sir Arthur's second volume comes up to the standard set by the first and cannot be neglected by any student of the war."

Truth.

"Sir Arthur Conan Doyle's second contribution to the history of the war on the Western Front deals with the events of the year 1915, which is described by the author as the year of 'equilibrium' as distinct from 1914, which was the year of 'defence,' and from 1916, the year of 'attack.' We have now before us his carefully-considered account of the Battles of Neuve Chapelle, Hill 60, the Second Battle of Ypres, the Battle of Richebourg-Festubert, and the Battle of Loos. . . . Sir Arthur Conan Doyle's book is written with all the unofficial information which the author has had time to collect, and bears throughout its pages the stamp of a well-balanced and impartial mind."
