—WHOLESALE IMPORTERS OF—

Dry Goods, Carpets, Woollens, Gents' Furnishings, Haberdashery and Fancy Goods.

WELLINGTON AND FRONT STREETS EAST, TORONTO.
AND MANCHESTER, ENGLAND.

Be to call the attention of the trade that to the combined efforts of expert departmental buyers, going to Britain twice a year, and a resident staff there, they are enabled, by watching the home markets thoroughly, to contract and purchase lines of goods not obtainable elsewhere.

They can confidently assert that no house in the Dominion has elaborated and systematized their business to such an extent. The effects and consequences are that year by year their trade constantly and uniformly increases.

The stock is always large and varied and continually supplemented by new purchases of the latest novelties and value.
