 and will with his present Stock be offered at
 low prices for CASH.
HORATIO CARWELL,
 4th November. 4, Fabrique Street.

PHRENOLOGY.
THE use of the rooms of the Quebec De-
 bating Club, (Freemason's Hall,) having
 been kindly granted to Mr. Burke, for the
 purpose of delivering a PUBLIC COURSE OF
 LECTURES ON PHRENOLOGY, he will commence
 the course on THURSDAY EVENING, the
 31st instant, at 8 o'clock precisely.
 The succeeding Lectures will be delivered
 on the following *Saturdays, Tuesdays and
 Thursdays*, at the same time and place. The
 Course will consist of 10 Lectures. The
 price of tickets for the Course will be for a
 Gentleman *Two Dollars*—for a Lady *One
 Dollar*. Tickets for single Lectures a *quarter
 Dollar*.
MECHANICS' INSTITUTE.
 Mr. Burke will deliver a similar course
 of Lectures, to the members of the *Mechanics'*
 Institute, at their Room, over the
 shop of Mr. Bickell, corner of St. John's
 and St. Stanislas Streets.
 Tickets for the Course *One Dollar*—for
 single Lectures *seven pence half-penny*.
 Mr. Burke's views of Phrenology are in
 many important particulars entirely new.—
 They are the result of rigorous experiment
 and of diligent study of the science for nearly
 twelve years. His improvements and discov-
 eries are of such a nature as to enable him
 to answer all the objections hitherto urged
 against Phrenology, not merely to the satisfac-
 tion of the *Phrenologists*, but to that of the
 most determined *Anti-Phrenologists*, provided
 of course he will give himself the trouble of
 attending to the evidence that can be ad-
 duced in favour of the Science. *Phrenologists*
 have mingled so many errors with the
 truths they have discovered, that few persons
 are aware of the real nature of the Science.
 Quebec, 28th Oct.
