Tenders for Bridge

Sealed tenders, addressed "S. R. Armstrong, City Clerk, Peterborough, Ont., and endorsed "Tenders for Bridge," will be received up to 4 p.m.

Saturday, April 14th, 1906,

for the construction and completion of a Concrete and Steel Bridge of 90 feet clear span over the creek on Charlotte Street, Peterborough.

Parties may tender separately or combined for (a) Concrete Abutments, Sidewalks and Reinforced Concrete Deck.

(b) Steel Floor System
in accordance with plans and specification which may be seen at the office of the undersigned on and after April 4th.

Tenders must be accompanied by a marked cheque equal to 5 per cent. of estimated bulk sum of (a) Concrete Work, and for the sum of \$75,000 for (b) Steel Work.
The lowest or any tender not necessarily accepted.

T. A. S. HAY,
City Engineer.

NOTICE TO CONTRACTORS

Tenders will be received, addressed to the undersigned and marked "Tender for Trenching," up to noon on APRIL 25TH, 1906, for Trenching for water and sewer pipes according to plan and specification.

Approximate distance to be excavated about 5,000 lineal feet. Rock (slate) 5,000 cubic yards. Earth 14,000 cubic yards.

Also for Trenching for a sixteen inch water pipe for a distance of about 10,000 lineal feet, mostly earth.

Tenders will be received for the whole or sections of the work.

Plans and specifications can be seen at the office of the Superintendent of Water Works, Dartmouth, N. S.

Each tender must be accompanied by a certified cheque, payable to the Town Treasurer of Dartmouth, for the sum of \$400, which will be subject to forfeiture in case of failure on the part of the contractor to enter into a written contract with approved sureties, if called upon to do so.

The Town of Dartmouth reserves the right to reject any or all tenders, or to accept any bid which appears advantageous to the Town.

ALFRED ELLIOTT,
Town Clerk.

Dartmouth, N. S., March 29, 1906.

**NOTICE TO CONTRACTORS**

Tenders will be received by registered post only, addressed to the Chairman of the Board of Control, City Hall, Toronto, up to noon on THURSDAY, APRIL 17TH, 1906, for the construction and supply of seven Steel Pontoon.

Also for the construction and supply of seven Wooden Pontoon.

Envelopes containing tenders must be plainly marked on the outside as to contents.

Plans and specifications may be seen at forms of tender obtained at the office of the City Engineer, Toronto.

The usual conditions relating to tendering, as prescribed by the City by-law, must be strictly complied with.

The lowest or any tender not necessarily accepted.

R. COATSWORTH (Mayor),
Chairman Board of Control,
City Hall, Toronto, March 23rd, 1906.
