YES, YOU WILL SAVE
Five Hours Hard Work

EVERY WASHDAY BY USING THE MANITOBA WASHER!

It is the best machine in the market to-day. Certainly nothing in the United States or Canada at present compares with it in the following points: Quantity of clothes washed at one time (a tubful in ten minutes), quality of work done, and the ease or lightness of the operation. It will wash without injury fine lace curtains, shirts, collars and cuffs, quilts, blankets, greasy overalls, etc., and all kinds of washing goods. An entirely new system of washing. Clothes are put into the machine dry, soap and water being added, and instructions followed, any ordinary person will do as much washing in one hour as they can perform in five hours by the hand process. By my system you do not require the washboard. The suds is dispensed with also. All done in the machine, and the clothes never fail to come out white and clean. Please read this letter, and make up your mind to do away with the slavery of the washday.

McGREGOR, July 20th, 1893.
Mr. Thos. McCrossan, Winnipeg.
Dear Sir, - We have fully tested your Manitoba Washer, and although my wife was very much against washing machines she is now convinced that your washer will do the work as well as it can be done by hand, and now, instead of taking all day with her washing she has it all out of the way inside of two hours. I have very much pleasure in recommending the Manitoba Washer to any person wanting anything of that kind. Yours respectfully,
Ed. SMITH.

The soil is specially adapted to produce vigorous, hardy trees, a grand lot of which are now growing and for sale. All the leading sorts of both old and new varieties deemed worthy of propagation. ADVERTISE IN THE ADVOCATE

Do Not Insure

Until you have seen the Double Maturity Policy of the Manufacturers' Life. Ordinary prudence suggests that you should carry some life insurance, if ever so little, and it is as well to know where the best is to be had, both for security and profit. Life insurance creates an immediate capital at a trifling outlay, which returns, as a rich and ample investment, to a man's family or himself at its period of maturity. You should find out about this Double Maturity we speak of.
