Good Resolutions Are Good Pavements

You've heard of the place with the fireproof flooring made of good resolutions, but let us tell you that the House of Fortune is so paved also. There have been men who have resolved to use

CARNEFAC

They have used it for the fattening of cattle, hogs, etc., and have made and are making money by using it. Thus writes one of them:

Weston, Ont., July 4th, 1903.

The Carnefac Stock Food Co.:
For some time I have been feeding your excellent preparation, "Carnefac Stock Food," to my horses, cattle and sheep. After giving it a fair trial, I am pleased to be able to state that it purifies the blood, gives a healthy tone to the system, and is especially effective when fed to young stock. I have no hesitation in heartily recommending it to anyone wishing to increase the quality and productiveness of their stock. Yours truly, (Sgd.) J. M. GARDHOUSE, Rosedale Stock Farm, breeder and importer of Clyde and Shire horses, Scotch Shorthorns and Leicester sheep.

Write us and we will send you a booklet containing hundreds of such letters.

A VALUABLE BOOK.

A valuable little book on stock-raising and feeding has just been published by The Beaver Mfg. Co., of Galt, Ont. This book will be sent, free of charge, to all who send in their name and address and mention this paper. There are so many offers of something for nothing that The Beaver Mfg. Co. hesitated about making this offer of a free book. They have, as an honorable business firm, always made sure of giving full value for money received, but they have never given anything away. In this case, they offer something of real value to all readers of this paper. It is a book full of valuable information. It is clean reading and of real value. It contains the opinions of many of the leading Canadian breeders and exhibitors and some good illustrations of prizewinning stock. The matter has been carefully prepared, and the publishers have excluded all that they do not believe to be perfectly straight and true.

Send your name and address at once (a post card will do) and mention this paper, and you will receive this book by return mail. Address, The Beaver Mfg. Co., Galt, Canada.
