Pump annoyances never worry the Farmers who are fortunate enough to be using **Imperial Anti-Freezing Pump**

The "Imperial" is the pump best suited for all farm purposes.

It has a large air-chamber, extending to top of stand, containing 127½ cubic inches. Has 1¼-inch plunger-pipe instead of stuffing-box. The advantage over the stuffing-box is that it has three plunger buckets which are self-expanding, and therefore require no attention. Can be used on any sized pipe from 1¼ to 2 inches in diameter, tapped for 1¼, 1½ or 2-inch pipe. On tubular wells, the plunger can be withdrawn without removing the pump.
