Tell Me a Friend Who is Sick.

No Money is Wanted. Simply Let Me Send Him My Book.

You have a friend who is sick. Write me his name. That is all—just a postal card. Send it as an act of humanity. Tell me which book he needs. I will either cure that friend or pay all the costs of his treatment. I will at least do the utmost that medicine can do. I will give the best advice in my power. I may fail; but there will not be a penny of cost if I do.

I will do this at the start: I will send the sick one an order of his or her druggist for six bottles of Dr. Shoop's Restorative. I will tell that druggist to let him test it for a month at my risk. If it succeeds, the cost is \$5.50. If it fails, I will pay the druggist myself. I will leave the decision to you.

Don't say that this is impossible, for I do just as I say. I have done it for years—done it with hundreds of thousands. I will do it in any case, no matter how difficult. I only ask the sick one to be fair with himself and me. I cannot always succeed. There are conditions like cancer, for which I know no cure. But I alone am the loser when I fail. My records for five years show that 39 out of each 40 who accepted my offer paid for the medicine taken. That means that 39 in each 40 are cured. That fact alone makes this offer possible. There are 39 chances in 40 that I can cure your friend.

My success is due to a lifetime of effort, in learning how to strengthen the inside nerves. It is this nerve power alone that operates the vital organs. No organ is weak when it has sufficient power. I bring back the Nerve power—That is all. It is just like giving more steam to an engine that is weak. My book will explain it all.

Every soul who reads this knows some sick friend. You know somebody who will never find another way to get well. Let me tell that friend my way. I must be successful. My remedy must do what I claim. If it did not, such an offer as this would bankrupt me in a month. The sick one is your friend—a stranger to me. If I am willing to do so much, won't you write a postal, that he or she may get well?

Simply state which book you want, and address Dr. Shoop, Box 52, Racine, Wis.
