Churn, Churn!

Windsor salt lightens the task of churning butter. Every flake of it dissolves quickly—you'll find no gritty particles in the butter, because Windsor Salt is all Salt.

Windsor Salt.

Best grocers sell it.

Well Made.

Pure flour and pure yeast do not necessarily mean good bread. It may be spoiled in the making. Just so; material is not everything. Prof. W. Hodgson Ellis, Official Analyst to the Dominion Government, after a number of analyses, reports that "Sunlight Soap is a pure and well-made soap." "Well made" means more than you think. Try Sunlight Soap—Octagon Bar—next wash day, and you will enjoy the benefits of a "well-made" soap, and will see that Prof. Ellis is right. No one should know better than he. 214

A Fireproof Roof

AND SECURE AGAINST LIGHTNING.

What everyone wants, and what you can have—at moderate cost—by using

Eastlake Steel Shingles

GALVANIZED OR PAINTED.

The most widely-used shingles in the Dominion for all farm buildings. Quickly and easily applied by any handy man. Can't leak, and most durably economical. Up-to-date farmers praise them enthusiastically.
