Branch No. 4, London, on the 2nd and 4th Thursday onth, at 8 o'clock, at their I Block, Richmond street. Ma President; Wm. Corcoran,

C. M. B. A.

We have had several more enquiries in we the eligibility of presidents of Branches for the first time this year, for representatives to next Grand Council Convention.

The following is the ruling of Grand President O'Connor on the question:

The Constitution states: "A Representative or Alternate must be a Chancellor," but is allent as to the qualification at the time of election. See Section 5. Article iv, page 76. I have decided that a person holding office as President of an old Branch for the first time this year is eligible to represent his Branch at the next Convention of our Grand Council as Representative or Alternate providing he serves to the end of this year as said President. At the time of Convention he will be a Chancellor without doubt and can legally represent his Branch.

Kindly state this in next issue of our official organ.

official organ.
(Signed) D J. O'Connon,
Grand President.

Grand P seident Hyner, of New York Council, has given a similar decision on the foregoing question, as the Grand President of Canada; so also has the Supreme President.

The Galt Branch recently purchased a The Galt Branch recently purchased a considerable number of books to form the nucleus of a library for the use of its members. It is the intention to add new books to the library from time to time, as circumstances will permit. The idea is a commendable one, and we hope to see a like move made by other branches at an early date,
