THE RAILWAYS AND MUSIC.

Railways develop the resources of a country and educate the people, so if we would keep pace with the age; we must have Railways. The very conservative claim that the debt committed to our posterity will be too great. Give us Railways and let posterity look out for themselves. But you say what has this to do with Music. Why Music develops the intellect, refines and elevates society, and binds closer the family ties, and is indispensable.

LIBERAL OR CONSERVATIVE.

We find one has the GRIT to seize a good bargain, and the other is No Tious for the same thing. Whether it be a Railway or a Piano. Therefore all classes come to us for bargains in Pianos and Organs where they are assured of the maximum in quality and the minimum in price.

LESSON COMMENTARY ON THE International Sab. School Lessons.

WITH HINTS HOW TO TEACH. FOR 1882. BY REV. J. H. VINCENT, D.D., Chairman of the International Lesson Committee, assisted by REV. J. L. HURLBUT, M.A. More fully and elegantly illustrated by Maps, Cuts, Diagrams and Engravings than any other series. PRICE \$1.25. SENT POST-PAID ON RECEIPT OF PRICE TESTIMONIALS. Dr. Vincent's Lesson Series consists of 4 volumes. We have examined them with great care and commend them cordially. We have no hesitation in saying that they are admirable books and worthy of careful examination.—Congregationalist. The analysis and explanations of the portions of the Scripture reviewed are exhaustive and thorough. In fact, Sunday School work, to be complete and effective, requires these publications.—Daily Globe, St. Paul. It is such a book as we would expect from Dr. Vincent, with his large experience and great ability.—The Presbyterian. Comprising the substance of what one would hear in that line were to attend a thousand conventions. Contributions from more than 200 authors, ancient and modern, selected with the wise discrimination of which Dr. Vincent is capable. This insures breadth and independence.—Literary Notes. All the work has been submitted to rigid editorial censorship, and will be found worthy of confidence and calculated to accomplish great good.—The Standard. The explanations, questions, &c., bring out the substance of the lessons excellently.—Illinois Church Weekly. A work of this kind will manifestly be of much value to those who are connected with Sunday Schools.—The Religious World.
