

## Art in Memorials

**S**tained Glass Windows conceived by competent minds and built by true craftsmen represent Art in a very real sense.

**T**o attain their mission they must first be Beautiful; secondly, Instructive; and, finally, Enduring.

**K**nowledge, excellence of materials and skill in their handling—maximum value in the largest or the smallest commission—have built the reputation held by us today in the production of

## Stained Glass Memorial Windows

**I**f you are interested in this subject, a visit to our Studios would, we are sure, be of advantage to you. If you cannot call, but will write us your requirements, we shall be pleased to furnish full information regarding the erection of such Memorials.
