THE "WANT" AD.

The "want ad." has grown from a little used force in business life into one of the great necessities of the present day.

Business men nowadays turn to the "want ad." as a matter of course for a hundred small services.

The "want ad." gets work for workers and workers for work.

It gets clerks for employers and finds employers for clerks. It brings together buyer and seller, and enables them to do business though they may be thousands of miles apart.

The "want ad." is the great force in the small affairs and incidents of daily life.

NEW ZEALAND HONEY ARRIVING

Prices on honey, while not yet definitely quoted, appear to be settling at around 20c per lb. for white clover strained, in 60-lb. cases, delivered Toronto. It is expected that considerable New Zealand will be arriving shortly. Ontario beekeepers are reported to be holding their stocks firmly, owing to a light crop, but wholesale dealers claim that the possibility of large importations will have a moderating effect on prices paid for domestic stock.

Good specialty salesman for City of Toronto. Splendid opportunity for first class man. Apply giving references and salary expected.
