NAN, AGENT. 5tf In St. Vitus' Dance, when all other remedies fail, a long continuance of the use of this medicine shall remove the disease. For the certain cure and mitigation of disease generally, it is fearlessly asserted that no other medicine before the public can be compared with Dr. Hope's Pills and Balsam. They act thoroughly but mildly, without causing any un-pleasant sensation, unless the system is very much out of order, in which case the Pills may or may not produce some mansea. But their judicious use, according to the direc-tions which accompany the medicine, shall, in the diseases named, give general if net universal satisfaction. The Proprietor, warrants that no harm can ensue in any case Proprietor warrants that no harm can ensue in any case from taking either the Pills or Balsam. THE ORIENTAL BALSAM is a most valuable if bebility, Fever and Ague, Nervous, Periodical, and Sick Headache, Loss of Appetite, Pain in the stomach after eating, Weak and delicate Stomach, Masked or Dumb Ague, and Liver Complaints. Its effects are not confined to the stomach alone, like that of other stomachics in general use,-its power extends to the abdominal viscera, particularly the liver, which it deterges, as well as emulges the hepatic ducts, and at the same time promotes digestion.
