

SPEAKER—*Continued.*

6. Decides upon an objection taken to the vote of a Member upon the Building Societies Bill, that the interest which disqualifies must be a direct pecuniary interest, and not one in common with the rest of H. M. subjects, 228.

7. Decides, upon an objection taken to the Cobourg and Peterboro' Railway Bill (at the third reading), that the amendments made thereto by the Railway Committee are in excess of the Notice, and ought to be referred to the Railway Committee,—that that is the proper course to be taken; Motion to refer the amendments to the said committee negatived, 242.

8. An objection being raised to the Bill to amend the Acts relating to Excise Duties (on the question for going into committee of the whole,) that inasmuch as it affects Trade, and imposes a new tax on the people, it should have originated in committee of the whole,—Mr. Speaker decides, that it does not affect commerce,—and that the objection to the mode of originating the bill, should have been taken upon the second reading, 243.

9. Report from the Library Committee, in reference to completing the series of Portraits of Speakers of the L. Assembly, in uniform style; Concurred in, 214.

10. Communicates a letter from the Governor's Secretary, in reference to the prorogation, 268.

11. His Speech on presenting the Supply Bill to His Excellency, 276.
