

- No. 15.—Despatch from Earl Grey, dated 14th December, 1848, No. 62, communicating the views of Her Majesty's Government, respecting the future payment of the Civil Establishment of this Island.
- No. 16.—Despatch from Earl Grey, dated 1st January, last, No. 66, communicating the views of Her Majesty's Government upon the question—in what manner the Government of this Island may be best conducted, with a view to the general interests of the people; and especially whether it would be desirable to introduce the system commonly known in Her Majesty's North American Colonies by the name of Responsible Government.
- No. 17.—Document showing the amount of Salaries, &c., now paid by the Imperial Government on account of the Civil Establishment of this Island, which will cease to be defrayed from that source, after the 5th April, 1849. Also the amount of allowance and fees now paid to the Lieutenant Governor, which will be carried to the credit of the Colony, after the 5th April, 1849.
- No. 18.—Report of the Trustees of the Lunatic Asylum, and House of Industry, together with a nominal return of Paupers and Lunatics in the Asylum, from 26th June, 1848, to 28th February, 1849.
- No. 19.—School Visiter's Report for King's County.
- No. 20.—School Visiter's Report for Prince County.
- No. 21.—School Visiter's Report for Queen's County.
- No. 22.—Despatch from Earl Grey, dated 7th February, 1849, No. 71, relative to the time at which the Civil Government of the Colony will cease to be paid to the same extent as heretofore.
- No. 23.—Despatch from Earl Grey, dated 9th March, 1849, relative to the Bill for the better regulation of the Island Currency.
- No. 24.—Despatch from Earl Grey, dated 7th July, 1848, No. 31, in answer to an Address to the Queen from the House of Assembly on the subject of a Bill respecting a proposed Survey of Townships in Prince County.
- No. 25.—Copy of a Communication from the Deputy Post Master General, addressed to the Hon. T. H. Haviland, Colonial Secretary, on the subject of procuring a Steamboat to carry the Mails between this Port and Pictou.
- No. 26.—Examination of George Wright, Esq. Surveyor General, with respect to Lot No. Three, and the adjacent Townships.
- No. 27.—Return, shewing the number of acres of Land for which Tax was paid as Wilderness Land in the year 1847.
- No. 28.—Copy of a Correspondence in reference to the conveyance of the Mails between this Island and Great Britain, through the Province of Nova Scotia.
