THE STANDARD BANK

We have pleasure in calling attention to the annual report of the Standard Bank of Canada which has just entered upon its forty-first year, and which will be found in another column.
Since its inception in 1873 this Bank has shown a steady and healthy growth and now shows total assets of over \$40,000,000, with a Capital of \$3,000,000, fully paid up, and a reserve fund of \$4,000,000. Some of the principal points in connection with the report deserve special mention.
The deposits show an increase over those of last year of \$3,017,836, while last year they showed an increase over the previous year of \$3,491,432, and which for the two years makes the very handsome sum of \$6,509,268. The deposits of the Bank are now well over \$38,000,000, and it is quite evident they have been profitably invested.
The business of the country at the Profit and Loss Account shows that the Bank earned during the year net profits of \$621,463.94, which is \$366,368.90 more than they earned the previous year, indicating that in spite of war conditions and other disturbing elements the Bank's funds have been actively and profitably employed.
The net earnings figure out the equivalent of 3.22 per cent on the combined Capital and Reserve of \$12,280,000. From these profits the Bank paid its shareholders four quarterly dividends at the rate of 13 per cent per annum, amounting to \$98,540.48, \$25,000.00 was written off Bank premises, \$5,000.00, contributed to the Officers Pension Fund, \$100,000.00, set apart for depreciation in the market value of British, Dominion, Provincial and Municipal securities, \$100,000.00, added to the Reserve Fund from profits and \$139,760.00, from premium on new stock. \$53,140.63 was carried forward to Profit and Loss Account for amortizing the \$25,000.00 which had been made of \$25,000.00 to the Belgian Relief Fund.

Busy Trenton

THE latest news of the town and surrounding neighborhood is given in an interesting manner.

TRENTON, Feb. 22—In connection with the recent arrests made by the police at the instigation of the Children's Aid Society, two more young men were arrested on Saturday and are being tried by the police magistrate this afternoon.
If nothing is likely to come of the negotiations with the Government for the reorganization of the public library, why would it not be a good idea to obtain permission from the department to place the books in the high school library and throw the combined collection of books open to the public? It is just possible that a temporary library may be opened, but as it is our experience that things move slowly in Trenton, we think the idea of amalgamating with the high school the quickest move to make. It is also possible that the teachers and senior pupils might take it in turn to act as librarians without remuneration until arrangements are made to either throw over the Carnegie Library or go on with it. In the meantime the books would be taken care of and instead of being buried in a back room, made use of. We are not accustomed to knock, but it is a fact that Trenton is known as a tough town all over the Dominion and we think after recent resolutions no one

PRESENTATION TO DEPARTING MANAGER
Mr. H. A. Logan of the G. N. W. Given an Address and Signed Ring Prior to Departure with Second Contingent

Mr. H. A. Logan, for several months past, the very capable and popular manager of the G.N.W. Telegraph Company's branch at Belleville has volunteered for service with the second overseas contingent as one of the members of the telegraph corps. Prior to his departure Mr. Logan took his departure from Belleville on the night of the 22nd inst. He will accompany that part of the contingent when it leaves that city in the near future.
Not only do our best wishes and our prayers accompany you with the implicit trust that the God who governs the destinies of grand old Britain will protect and return you to us. As a man of your high regard we all feel it our duty to present you with a feeling accompanying which speaks for more than its value. May the mighty God of heaven and earth shine upon you wherever located. May His loving arm encircle you in the dangers of your part of duty and finally when the struggle has ended may we grasp the hand that has fought for the right in the contest against greed and butchery, is the wish of your immediate friends and associates.
Signed—
The Staff, Belleville, Ont.

DISTRICT EPWORTH LEAGUE CONVENTION AT FOXBORO
Talk about a feast, why the people of Foxboro have been almost satiated with the profusion of good things showned upon them of late.
A week ago last Sunday we had Rev. Mr. McCormack, who was here visiting his brother-in-law, Rev. Mr. Jones. Mr. McCormack's circuit stretches from ocean to ocean, where-where he stands sturdy feetless men are laying the shining net that is the hitherto untrod wilderness with the outer world and such thrilling tales as the Reverend gentleman has to tell of his construction camps, was no wonder that the large audience assembled in the Methodist church that night listened breathlessly at times to the vivid portrayal. The following morning Rev. Mr. Clarke, who is the public school and delighted teachers and pupils with a fifteen minute talk.
Monday of this week opened with the District E. L. convention in the Methodist church. There were three sessions held to the witnesing program. There was the splendid address on Indian mission work by Rev. C. S. Redick and the stirring speech by Mr. J. MacPherson on getting hold of the boy and making of him a good Canadian citizen. It was a privilege to have a citizen of a better country even the heavenly one. These were marked features of the day and then in the evening session there was a brief but powerful address by Rev. G. W. Clarke. This too was along the line of missions. Rev. S. T. Bartlett was expected but was unable to be present so his numbers on the program were taken by Dr. F. C. Stephenson, that when perhaps no man in Canada knows more about some phases mission work and assuredly none are more enthusiastic. Several selections by the Ketcheson orchestra gave devotional variety to the evening program. Tuesday followed with banquet under the auspices of the Laymen's Association though the guests were not limited to the male sex and there were a few ladies present. Mr. J. A. Holgate presided and after the delicious viands had been duly disposed of, called for a toast to King George which was responded to right locally. The speakers of the evening were Mr. Stewart of the O.S.D. of Belleville and Dr. F. S. Stephenson who by the way had to do double duty for he had to take the place of Mrs. Stephenson, who was to have given an address on the "W.M.S. work but who was unable to be present, so Dr. Stephenson made two addresses. Mr. Stewart opened his address by rendering "Nearer My God to Thee" in the sign language. While the audience sang it. His speech was a practical business talk on finance. At the close of the evening session, it was moved by Mr. S. C. Gay, seconded by Mr. W. B. Turts that the attempt be made of having the necessary of clothing up to five dollars per member. The motion was carried. There was such an abundance of dainties at the banquet that they had to hold a social hour in the evening. The program of the day closed with a jolly crowd with an impromptu program and lots of fun.

A RIGHT SUIT!

IT'S the Man inside the Clothes that wins, of course—but the Clothes are on the outside and they count.

And they count just in proportion as the Make, the Fit and the style are accurate.

Our Men's Clothing has to pass all sorts of hard "Exams"— is criticised by Experts who know the "ins" of good tailoring as well as the styles and finish that characterize correct Clothing for Men and Young Men.
