A meeting was held last night at the Lalonde headquarters to receive the report of the executive committee appointed to select candidates for the office of alderman. Secretary N. A. McKenzie read the report of the committee recommending the above gentlemen for nomination. The report was unanimously adopted and the committee's nomina-

It was stated that great care had been exercised by the committee in making these selections, that each gentleman was fully qualified and in every respect an available and desirable candidate. A resolution was passed pledging those present to support the whole ticket.

The committee's reason for placing a full ticket in the field was that they felt elect Mr. Lalonde unless it could be assured that a council in harmony with along with him. The Incorporation Committee did the Work Very Economically.

The two candidates for the mayoralty met yesterday, in a perfectly frank and friendly manner, for the political battle the committee for the incorporation of Rossland, of which both Colonel Scott and C.O. A report of the expenses of the committee was then read and adopted. This committee in Victoria were \$593.20, in addition to which there was an outlay for preliminary expenses, getting up the discount of note, etc., of \$102.55. This left a balance out of the \$1,000 raised for the purpose, of \$304.75, which has been paid into the Bank of British North America, to the credit of the note. The actual sum expended, \$695.25, the balance of the note, it is hoped will be assumed by the municipality.

The bill pro-vides that it shall be lawful for the lieutenant governor in council, forthwith, by separate letters patent under the seal, to incorporate the cities of Rossland, Nelson and Grand Forks. That act has been assented to by the lieutenant-governor, but it is still necessary that an
