Never Better Values in Men's Heavy Footwear

Governed by a natural law everything in this world must advance or fall back. We have advanced, and advancing rapidly, in our footwear business. In spite of an abnormally high priced leather market, and manufacturers here, there and everywhere forced to resort to questionable methods of manufacture, in spite of this we must emphasize the surprisingly good values.

The Cravenettes and New Tweed Coat Models

Win the Admiration of Every Lady

SEE THESE COATS TODAY. We cannot guarantee that every style will be here for very long. The lines are still complete but just when they may be broken we cannot say. We are making record sales in these garments, this we are sure of.

NEW TWEEDS, CRAVENETTES AND SERGES

Depicting every favored style

Hardly know where to start to describe these coats. They are such smart and dainty garments we hardly see why any one should make precedence over the other.

FOR \$30.00. Several choice styles in Fancy Tweeds, a fairly coarse woven fabric with bulk enough to hold its shape nicely. These come in double and single breasted style with wide lapels. They have a novelty extension over the lapel and are trimmed with self buttons and braid. The patterns are single line stripes of green and brown and small dark checks. Eight Dollars is a very low price for these stylish garments.

ONE OF THE BEAUTY IN GREY BROADCLOTH One of the finest woven Broadcloths we've yet seen in pretty grey with a double hair line stripe of subdued green or brown. Dark olive velvet on collar, on fancy pockets and on buttons.

The back is made with a single centre strap and three small velvet buttons at each side at the coat bottom. These coats are \$15.00

AT \$30.00. Fine Navy Blue Serge Long Coats, with fancy stitched down collar, black silk trimmed, silk covered buttons. Sleeves are neat and plain without cut and two short self straps in place of cut.

\$5.50. Neat, "Quiet," Grey Tweed, more black than grey, with a simple white line over plaid. Neatly made. A very dressy garment and at the price it's doubly interesting. Besides, as is true of all our garments, the styles and fabrics are not, nor will they be, common.

\$8.00. A novelty Green Grey Toned Tweed, coarse weave with a "splashy" but simple red check line.

GREAT CHOICE IN CRAVENETTE COATS Many "fetching" styles

We can only, as a matter of fact, give you a faint idea of the choice here.

Ladies' Cravenette Coats of dark olive shade, with "nifty" stripes and plaids made of a single strand of green or brown silk. The style is of two narrow pleats down each front, flowing from the waist to give the desired fullness. The collar is fancy double and scalloped and stitched down. The sleeves are neat with a few pleats at the cuff. The cuff is a turned-up double effect. The back is made with four narrow pleats. NO BETTER VALUE AT \$10.

OUR \$12.50 CRAVENETTES Offer splendid selections. Three or four effective new styles of Cravenettes in dark grey, light fawns and dark and light olives. These are in various lengths. The trimmings are of fancy narrow or wide strappings and various widths of pleats. In all cases the cuffs are turned, some with fancy straps and self buttons.

But we didn't tell you of all the fabrics at this price—\$12.50. Here's a grey with simple green stripes. Another is a dark fawn with plaid or red and green of a fine hair line, hardly noticeable.

OTHER STYLES AT \$10.00 Light Fawn Cravenette Coats in light fawns. With or without pattern. Some in medium lengths, others extra long. Come and see these stunning coats. We can meet you at any price you desire to pay.
