

My Hair Ran Away

Don't have a falling out with your hair. It might leave you! Then what? That would mean thin, scraggly, uneven, rough hair. Keep your hair at home! Fasten it tightly to your scalp! You can easily do it with Ayer's Hair Vigor. It is something more than a simple hair dressing. It is a hair medicine, a hair tonic, a hair food.

JUNETOWN

Mrs Adam Herbison has been quite
ill for the past week.

The pie social in the Methodist
church last Friday evening was a
decided success.

Miss Blanche Herbison has returned
after a short visit to Lansdowne.

Dr Kinney paid his fall visit to our
school on Thursday last, when the
trustees were assembled to get
acquainted with the new school law.
He spoke highly of the progress and
condition of the school.

Mr Jake Herbison has purchased a
new team of colts.

Mr Norris Ferguson has returned
home from the West where he spent a
few months.

Billy Fortune has rented his farm.

The children of Junetown school are
preparing for their annual Christmas
tree.

Mr and Mrs Ira Tennant were the
guests of Mr and Mrs J. C. Turner on
Sunday last.

Mrs Ferguson of Brockville is visit-
ing at the home of Mr Z. Purvis.

Unimpeachable

If you were to see the unequalled
volume of unimpeachable testimony in
favor of Hood's Sarsaparilla, you
would upbraid yourself for so long de-
laying to take this effective alternative
and tonic medicine for that blood dis-
ease from which you are suffering.

It eradicates Scrofula and all other
humors and cures all inward and out-
ward effects.

Take Hood's

EARTH'S LATENT POWER.

All Solid Substance May Vanish in a
Moment of Time.

The late Professor S. P. Langley, sec-
retary of the Smithsonian Institution,
speaking of earthquakes, said:

"The consideration of the unfamiliar
powers certainly latent in nature, such
as belong to a little tremor of the plan-
et's surface or such as was shown in
that scene I have described," referring
to phenomena he had witnessed when
the comparatively insignificant effect
of a few tons of dynamite was to
make solid buildings unrealities, "may
help us to understand that the words
of the great poet are but the possible
expression of a physical fact; that the
cloud capped towers, the gorgeous pal-
aces, the solemn temples, and we with
them, may indeed some day inconceiv-
ably vanish as the airy nothing at the
touch of Prospero's wand, and without
the warning to us of a single instant
that the security of our ordinary lives
is about to be broken."

"We concede this, however, in the
present case only as an abstract possi-
bility, for the advance of astronomical
knowledge is much more likely to show
that the kernel of the comet is but the
bigness of some large meteorite against
which our air is an efficient shield, and
the chance of evil is most remote—in
any case only such as may come in
any hour of our lives from any quarter,
not alone from the earthquake, but
from the pestilence that walketh in
darkness from the infinitely little be-
low and within us as well as from the
infinitesimal powers of the universe without.

"Something common to man and the
brute speaks at such times, if never
before or again; something which is not
altogether physical apprehension, but
more like the moral dismay when the
shock of an earthquake is felt, for the
first time, and we know that startling
doubt superior to reason whether the
valid frame of earth is real, and not
baseless as the fabric of a vision."

The Oldest House in Louisiana.

The oldest building in Louisiana, the
ancient archbishopric on Chartres
street, New Orleans, boasts of one of
the handiwork courtyards. The build-
ing was erected in 1727 and remains
exactly as it was first erected. Vis-
itors will remark the ancient staircase
of cypress, worn by the passing of
generations. In the courtyard is seen
one of the oldest and best preserved
specimens of the "Spanish dagger." It
dates back, so those who claim to
know, to the building of the palace,
and indeed its height and dignity
indicate anything but youth—Crafts-
man.

Impertinent.

Originally the word "impertinent"
signified merely "not belonging to."
When Wycliffe said that there were
many men in this world who were
"impertinent to earthly lords" he did
not mean that they were "cheeky," but
merely that they had no masters.
Then, as used by Shakespeare, "im-
pertinent" came to mean "irrelevant."
Just 200 years ago it was defined as
signifying "absurd, silly, idle."

Indefinite.

"Darling, yours shall be a sunny lot
in life."
"Now, look here, George, are you
talking of your behavior or of where
we are going to build in the suburbs?"

One Vain Wish.

The Wife—He told me that if I mar-
ried him my every wish would be grat-
ified. The Mother—Well, it is not so.
The Wife—No; I wish I hadn't married
him.

The nobler the blood the less the
wilde—From the Danish.

Dr. Hugo's Health Tablets

Are just

for women

and Contain just what every Sick
and Run-down Woman Needs.

Do you know that distinguished phy-
sicians say that ninety per cent. of the
ills of women result from your peculiar
organism.

This should make clear to you the
need and advantage of taking a remedy
that contains uterine and female tonics.
You know, of course, that remedies
made to sell to men as well as women do
not contain these. They cannot.

Dr. Hugo's Health Tablets for Wo-
men (not for men) contain them all, and
you don't have to take our word for this.
Chemists and physicians, whose stand-
ing makes their statements reliable, say
that not one single medical ingredient of
any value to women has been omitted
from them.

What is the result? Simply this.

When you buy a box of these tablets
you get a remedy compounded just for
your special needs, and one containing
all that medical science can supply in
this twentieth century to make you a
healthy woman. What more could you
ask?

And unless your experience should be
different than that of other women, you
need nothing more. If you don't feel as
well as you would like to, try these tab-
lets.

They Make Healthy Women.

MOTHER, SISTER AND BROTHER

Died of Consumption, but this Linden

lady used Psychine and is

strong and well

"My mother, brother and sister died of
consumption," says Ella M. Cove, of Lin-
den, N.S., "and I myself suffered for two
years from a distressing cough and weak
lungs. I suppose I inherited a tendency
in this direction."

"But thank God I used Psychine and it
built me right up. My lungs are now
strong. I enjoy splendid health, and I owe
it all to Psychine."

Consumption, whether hereditary or con-
tracted, cannot stand before Psychine.
Psychine kills the germ, no matter how it
attacks the lungs. Psychine builds up the
body and makes it strong and able to
resist disease. Psychine is an aid to
digestion and a maker of pure, rich blood.
The greatest giver of general health is

Let Fire Judge Between Us!

Your judgement can tell and do a lot, but it can't fry potatoes. Your judgement can tell who has the best looking and best \$10.00 fitting Suits and Overcoats in town; but it can't tell positively whether the suit is cotton or wool. Fire can do that. We claim we sell 865 days in the year the only all wool \$10.00 Suits and Overcoats in Brockville, and we ask fire to decide whether that is true or not. Sir! Madam! Will you employ the fire test; will you please find out for yourself, who is bluffing and who is not? Will you make up your mind right now that you will once and for all find out for yourself to whom you should pay your money in purchasing a \$10.00 Suit or Overcoat?

HOW TO APPLY THE FIRE TEST.

Go to any store that makes most noise about the suits they are selling just now for \$10.00, get a thread out of the trousers, apply a burning match, if after the thread is consumed you have ashes left, the suit is cotton; if you have a cinder the suit is wool, then call on us, go through the same process, and don't be surprised to find ours all wool and the only \$10.00 Suits and Overcoats in town that are all wool—no matter what big reductions are promised, the bigger the promise of reduction the bigger the shame the fire test will reveal.

We are heartily glad that fire will tell the truth, it can't be false, it is our hope.

We must win, if people are willing to employ—fire—fire! fire! We will gladly stand by your decision.

SIR! MADAM! ARE YOU WILLING TO ALLOW AN INFALLIBLE AGENT (fire) to tell you where you should purchase your clothing? Any child can tell which is cotton or wool by the fire test. WILL YOU JOIN THE FIRE BRIGADE if you are in doubt as to where your money would be best spent, we urge you to employ this faithful servant—fire.

Yours for a Fire Test

DRS. KENNEDY & KERGAN

The Leading Specialists of America. 25 Years in Detroit. Bank Security.
Nine out of every ten men have been guilty of transgression against nature in their youth. Nature never excuses, no matter how young, thoughtless or ignorant he may be. The punishment and suffering corresponds with the crime. The only escape from the ruinous results is proper scientific treatment to counteract its effects. The DRAINS, either by nightly losses, or secretly through the urine, must be stopped—the NERVES must be built up and invigorated, the blood must be purified, the SEXUAL ORGANS must be vitalized and developed, the BRAIN must be nourished. Our New Method Treatment provides all these requirements. Under its influence the brain becomes active, the blood purified so that all pimples, blotches and ulcers disappear; the nerves become strong as steel, so that nervousness, bashfulness and despondency disappear; the eyes become bright, the face full and clear, energy returns to the body, and the moral, physical and sexual systems are invigorated; all drains cease—no more vital waste from the system. The various organs become natural and manly. We invite all the afflicted to call and consult us confidentially and free of charge. Cures Guaranteed or no Pay. We treat and cure: Varicose, Blood Diseases, Stricture, Gleet, Gonorrhea, Urinary Tract, Sexual Disorders, Venereal Diseases, Gonorrhea, Kidney and Bladder Diseases. CONSULTATION FREE. BOOKS FREE.
