

## SACHEL --OF THE-- SATELLITE

Prospective aldermen seem to be scarce this year.

The citizens surely don't intend to be without wood as long as the city shade trees last.

I was angry with a fellow the other day so I went to the phone and called him up to call him down.

Talking of quartettes, what city can beat our quartette of schools—Collegiate, Central, McKeough and St. Joseph's?

The Satellite thought that he was the only shorthand man on the staff, and he was until the editor went and got mixed up in an accident.

The rich man's wood yard is doing some business, but the poor man is buying his wood from the Maple City wood dealers just the same as usual.

In the matter of city shade trees, it may not be out of place to remark that shade will not be needed for six months, while fuel is needed now.

When a good man goes wrong people piously sigh and say, "No man is perfect." But when another fellow is caught at the same thing, they shudder and say, "The Brute."

If Ald. Taylor wants men to nail shingles on the new roof to be put over the jail, they generally have fellows over there who are good at nailing things.

The new sanitary arrangements at McKeough school, the about command, how many North Chatham parents agree with the aldermen who would have kept their children in the abominable old premises?

Barrow is Hamilton's new city engineer, but I shouldn't think he would be much of a success. Barrow's are only of use when they are pushed. What Hamilton evidently needs now is a man behind the Barrow.

It wouldn't be a bad idea if our dear friend the B-N would just show the poor deluded Public School Board just the particular part of the Health Act they are breaking. We have been expecting this to be pointed out. Again, what about the C. I. Board and the Separate School Board?

The deer hunters are off to Muskoka. They will all bring a deer back and will truly entertain their friends with stories about their deer hunting trip, during the long winter evenings. While the men of the north will enjoy a comfortable winter on the money made by selling deer to the amateurs to bring home.

### THE ENDLESS CHAIN.

The city solicitor's bill was referred to the Finance Committee. They had it taxed. Lewis & Richards attended to the work. Now their bill has been received and it will be up to the Finance Committee to have it taxed under the direction of the city solicitor. Then the city solicitor's bill can be taxed, etc., etc.

### MISSING MEN

Mayor Sulman has a communication inquiring information about Jno. McColl, a former resident of this city. He was employed in the dry goods store of J. O. Peck. Mr. Peck is now in Windsor and probably he can tell something about his old clerk.

The Mayor also has been asked for information concerning John G. Taylor, who used to be in the music business in Chatham 30 years ago. Mr. Taylor, if he is living, will be about 75 years of age.

### AN ARBITRATION

The arbitrators appointed to change the boundaries of Union School Section No. 1, Tilbury East, met at the school house last Saturday. The arbitrators were W. F. Robertson, treasurer of Tilbury East; A. E. Robinson, clerk of Raleigh Tp., and Robert Park, Inspector of Public Schools.

The arbitrators changed lot 2 in the 4th concession Raleigh, from Union Section No. 1, Tilbury East, to Section No. 4, Raleigh. They put all the lands formerly in School Section No. 3 Tilbury East, North of Jeannette's Creek, into School Section No. 1 Tilbury East. All lands formerly in No. 1 Union Section, Tilbury East, south of Jeannette's Creek, were transferred into Section No. 2, Tilbury East.

## I could not rise to my feet without fainting.

"I had suffered for three years or more at monthly periods," writes Miss Ella Sepp, of Jamestown, Guilford Co., N. C. "It seemed as though I would die with pains in my back and stomach. I could not rise to my feet at all without fainting; had given up all hope of ever being cured, when one of my friends insisted upon my trying Dr. Pierce's Favorite Prescription. With but little faith I tried it, and before I had taken half a bottle I felt better, had better appetite and slept better. Now I have taken two bottles of 'Favorite Prescription' and one of 'Golden Medical Discovery,' and am happy to say I am entirely cured, and all done in two months' time when all other medicines had failed to do any good at all."

### NERVOUS DYSPEPSIA

#### A CURE FOR ALL

Not a Patent Cure-all, Nor a Rational Miracle, but Simply a Rational Cure for Dyspepsia.

In these days of humbuggery and deception, the manufacturers of patent medicines, will not sell unless they claim that it will cure every disease under the sun. And they never think of leaving out dyspepsia and stomach troubles. They are sure to claim that their nostrum is absolutely certain to cure every dyspeptic and he need look no further.

In the face of these absurd claims it is refreshing to note that the proprietors of Stuart's Dyspepsia Tablets have carefully refrained from making any undue claims or false representations regarding the merits of this most excellent remedy for dyspepsia and stomach troubles. They make but one claim for it, and that is, that for indigestion and various stomach troubles Stuart's Dyspepsia Tablets is a radical cure. They go no further than this and any man or woman suffering from indigestion, chronic or nervous dyspepsia, who will give the remedy a trial, will find that nothing is claimed for it that the facts will not fully sustain.

It is a modern discovery, composed of harmless vegetable ingredients acceptable to the weakest or most delicate stomach. Its great success in curing stomach troubles is due to the fact that the medical properties are such that it will digest whatever wholesome food is taken into the stomach, no matter whether the stomach is in good working order or not. It restores the overworked organ and replenishes the body, the blood, the nerves, creating a healthy appetite, gives refreshing sleep and the blessings which always accompany a good digestion and proper assimilation of food.

In using Stuart's Dyspepsia Tablets no dieting is required. Simply take plenty of wholesome food and take one of these tablets at each meal thus assisting and resting the stomach which rapidly regains its proper digestive powers, when the tablets will be no longer required. Nervous dyspepsia is simply a condition in which some portion or portions of the nervous system are not properly nourished. Good digestion invigorates the nervous system and every organ in the body.

Stuart's Dyspepsia Tablets are sold by all druggists at 50 cents per package.

## WORLD OF SPORT

### FOOTBALL

C. B. C. 2, C. C. I. 1.

The College boys were right at themselves yesterday in their game against the High School students and secured their first victory for this season. The college team has been considerably strengthened since the last game with the model school by George and Harry Anslee and Lawson. The C. C. I. put up a strong fight but their heavier opponents got the better of them as to scoring.

Williamson for the high school scored the first goal in the first half. In the last of the first half the college boys worked hard, and Lawson, the college left half back, scored the first goal the college has made this season.

The first half ended without further scoring and the second half signified the hardest kind of struggle for supremacy. Once the ball was shot at the college goal, Bowyer stopped it, but fumbled it and just recovered it within a foot of the goal, in time to avoid a charge from Campbell the school centre forward.

The play continued hard and the players thought time must be almost up, but Referee Sam Mercer announced three minutes yet to play. The college boys captured the ball and by a lightning rush down the field, scored in 45 seconds by Harry Anslee.

This made the score two to one in favor of the college and no more scoring was done.

The line up:—

C. B. C.  
Goal—Bowyer.  
Backs—W. Mounteer, Ford.  
Half backs—Lawson, McNaughton, Scriven.

R. Wing—G. Anslee, Shupe.  
Centre—Boley.  
L. Wing—H. Anslee, E. S. Mounteer.  
C. I.

Goal—Thomas.  
Backs—Sisson, Waddell.  
Half backs—Liddy, McQuarrie, and Courts.

R. Wing—Warnock, Martin.  
L. Wing—Williamson, Dennis.  
Centre—Burnie and Campbell.  
Referee—Sam Mercer.

The college and model school play on Friday afternoon and the college boys assert that they will teach the would-be teachers a few things.

### PRACTICE GAME.

The city Penitentiary League team will line up for practice this evening at 4:30 preparatory to the practice game with the team being picked by S. A. Mercer. Sam has been energetically working picking up the best men possible in the city and says that the city team will have a busy time of it to-morrow afternoon when the Scrubs get after them.

On the other hand, Capt. Fetterly, of the league team, thinks it a good chance for a work out for his team in their new positions, and is endeavoring to look up the Englishman who so severely criticised the team the other day, to see what he is made of himself. The new man, Mr. Grant, who is taking Hamilton's place in the Standard bank, is said to be a whirlwind, and will likely be out to practice to-night.

Sam's team, it appears, desire to be known as the "Scrubs" for some unknown reason.

But wait till Darrell goes to Wabashburg. They will have a hard game there on Saturday next, and a number of Chatham's sports say they are going.

### ANOTHER GRIT ONE NAILED.

Hamilton Spectator.  
Those Conservative papers which are condemning Hon. Mr. Sifton for encouraging the Donkhor immigration, talk as if they knew all along that there was a strain of insanity among them. As a matter of fact, when they arrived in Canada, they were described by Conservative papers as exceptionally fine settlers.—St. Thomas Journal.

This Conservative paper said nothing of that sort; but the exact reverse. No peculiar people are desirable immigrants. Peculiar people have been the curse of Canada.

### THE PIVOT CONSTITUENCY.

London Advertiser.  
North Perth has had a vacillating career in the last dozen years. In 1890 Abrens, Liberal, defeated Heston, Conservative, by 62. Abrens was unseated and in the by-election Magwood, Conservative, defeated Abrens by 46. In 1894 Magwood again proved victorious over McPherson, Liberal, by 408; but in 1898, Brown, Liberal, triumphed over Mr. Magwood by 160. At the election in May Mr. Monteith was declared elected by 2 majority.
