THE ACADIAN.

WOLFVILLE, N. S., JAN. 23, 1898.

Local and Provincial.

Sunday was a most disagreeable day and the attendance at the churches was small, especially in the evening.

The Acadia Edison Electric Co., of this town, are contemplating extending their line in the spring to Port Williams.

The Band is making arrangements to secure the rink for a benefit in the near future. We trust they may succeed.

Arrangements are being made for a hockey match in Aberdeen rink some evening next week between Wolfville and Annapolis teams.

Next week we will continue our report of the meetings of the Fruit Growers' Association, which owing to lack of space we have been compelled to curtail this week.

Rev. J. M. Fisher, of Hantsport, is expected to lecture in the hall at Port Williams, Friday evening, February 4th, Subject, "Jan MacLaren." Proceeds for the Division.

The hockey match in Aberdeen rink last Saturday evening between Wolfville and Canning teams was quite an exciting one, and resulted in a score of 2-1 in favor of the Canning team.

Owing to the bad state of the weather and roads the meeting of the Acadia Dairy Co. was adjourned until Monday afternoon next at 2 o'clock. The meeting will be held in Temperance Hall.

The St. John Progress is publishing an interesting series of articles entitled "How We Went to London," being the personal experience of a member of the Canadian Jubilee contingent. The writer is Mr. J. Scott Robinson, Col. Sergt. No. 9 Co., of this town.

Mr. B. G. Bishop gave a graphophone entertainment at Gersper on Thursday evening of last week. Notwithstanding the disagreeable state of the weather, there was a good house, and a very pleasant evening was spent. He has been invited to repeat the concert.

In another column we record this week the death of Mr. James M. Payzant, probably the oldest of Wolfville's citizens. The most of his long life was spent in Wolfville, where he succeeded in acquiring considerable property. His aged widow, now ninety-four years old, survives him. Dr. E. N. Payzant and Mrs. J. W. Bigelow, of this town are children.

The Grand Division, S. of T., will hold the first quarterly session of '98 at Kingsport, Kings Co., Tuesday, February 1st. The plebiscite vote and other important business will be considered. We hope every division in the county will send representatives and make the session a success for the credit of Kings. Will the Division Deputies take the matter in hand, and attend themselves? H. CHIFFMAN, County D. G. W. P.

The news that the Dominion Atlantic Railway Company had notified the Vermont Steamship Company that on Jan. 25th all traffic arrangements for passengers and freight would be cancelled cannot be considered as a surprise, as the course which the latter company would pursue. However we are glad to be able to report that for the present, at least, there will be no change in the arrangements between the two companies. Mr. Giffins has notified the Vermont Co. that "by request of the hon. minister of railways the notice of the 15th inst. is held in abeyance for the present."

The *Family Herald and Weekly Star*, of Montreal, is creating something of a sensation by the collection and preparation of valuable information as to how to make money in Manitoba and the Klondike by Canadians who intend emigrating from the older provinces. The *Family Herald and Weekly Star* is right at the top of the list of enterprising, enlightening, reliable papers, not only of Canada, but it may safely be said of the whole continent.
