WOLFVILLE, N.S., FEB. 16, 1900.

For some time back complaints have been coming to us of the increased amount of rowdiness on our streets, and the neglect of the police department to attempt to modify the evil.

Prohibition Resolution in the Commons.

Following is a copy of the prohibition resolution which will be moved during the present session of parliament.

It will be interesting to note how our representatives at Ottawa record their votes on this question, which is the most important one before the country to-day.

The Acadia Dairy Co., Ltd.

REPORTS ANOTHER PROSPEROUS YEAR.

On Monday afternoon, February 12th, in Temperance Hall was held the annual meeting of the Acadia Dairy Co., Ltd.

The greatest difficulty confronting the company was in supplying the demand for butter. This trade demands a uniform amount, or nearly so, during the whole year.

The manager, Mr. F. M. Logan, spoke on matters essential to the welfare of the company, urging the farmers to pay more attention to the feeding and care of their cows.

The auditor, Messrs. A. V. Pineo and R. E. Harris, submitted a detailed report showing the finances to be in a very satisfactory condition.

The following gentlemen were elected Directors for the ensuing year:

Leader Rand, Ex-M. P. P.

The death of Leader Rand, Esq., occurred at his late home at Canning on Monday night.

Leader Rand was born at Cornwallis 76 years ago. He began life as a farmer, and was one of our most prominent and successful agriculturists.

Five children survive him—a daughter, the widow of the late William Young—and four sons—Harry, who is living on the homestead; William, who does considerable business in specializing in apples; and Frank, doing a commission business in London, England.

Canadian Patriotic Fund Association.

The following circular letter has been received by Mayor Thomson from Lieut.-Governor Daly:

DEAR SIR, I beg to enclose herewith for your consideration a circular and letter explanatory of the objects of the Canadian Patriotic Fund Association,

I would request you to be good enough to make known as publicly as possible the purpose of this Association, and I would also earnestly solicit your interest and active co-operation by taking what ever steps you may consider advisable for augmenting the Fund.

The patriotic and benevolent purposes of this Association are such as commend themselves forcibly to every Canadian, and I have no doubt that its appeal for assistance will meet with a ready and generous response from the people of Nova Scotia.

I am, dear sir, Yours faithfully, M. B. DALY, Lt.-Governor.

AIMS AND OBJECTS.

The object of the Canadian Patriotic Fund Association is the creation of a Fund for the following purposes, viz.:

1. For the benefit of the widows, orphans, and other dependents of officers and men of the military forces of Canada, who may unfortunately lose their lives in or in connection with the war operations in South Africa.

2. For the benefit of the soldiers themselves or others (whether combatant or non-combatant) on duty in South Africa with the authority of the Government of Canada, and their families or dependents, who may have been disabled by wounds, sickness, etc.

3. For the benefit of the wives and children and dependents separated at home from those serving in South Africa.

In order to effect the above object, it is necessary that public sympathy with this truly national and patriotic endeavor must be fully aroused, and every opportunity afforded whereby the contributions, however limited in amount, of every citizen in the Dominion may be readily received and duly acknowledged.

With this end in view, it has been arranged that subscriptions will be received at any Branch of any chartered Bank in the Dominion, at any Government or Post Office Savings Bank, or at the office of any Loan Company, and transmitted to Ottawa as per.

It will be the earnest endeavor of the Association to insure that no deserving case shall go without the fullest relief which its funds can afford; and the Association therefore confidently appeals to the citizens of the Dominion for their co-operation and generous support.

Town Council.

An adjourned meeting of the council was held on Wednesday evening with the mayor and all the councillors present except Coun. Chipman.

The matter of the widening of Gaspean avenue between Main street and the wharf was also brought up by a deputation from the Board of Trade, which was discussed.

Resolved that the street committee be appointed to furnish information relative to the widening of the street, the value of land for such purpose and such other information as may be necessary.

The following were appointed constables—J. E. Eagles, William Hall, Clark Gormley, E. C. Collins, Stephen Eidge, Albert Green and Albert Bell.

Grand Fire Cleanings.

Evangeline Division has been doing some fraternal visiting lately. We greatly enjoyed the hospitality of "Lily of the Valley," Port Williams, when brother O. G. Cogwell easily took the cake as an all round actor and the orator of the evening—especially with the fair Evangelines.

The hall was splendidly decorated with bunting and mottoes, the combined programs most excellent and the refreshments most delicious, abundant and satisfying.

Both he and Mr. Brown were delighted with the "new vestry." The carpenters have finished their work and the improvement is wonderful.
