**BEAVER  
FLOUR**  
Both  
Ways

Make up a batch of Bread and Rolls with it. Then bake a Pie and Cake.

Notice the fine, even texture—the absence of holes—the delicate, nutlike flavor, of the Bread.  
Then consider the lightness and flakiness of the Pastry. You'll never go back to the coarse, almost tasteless western wheat flours, after once enjoying the flavor of the good things made with Beaver Flour.

## THE DOOR TO HEALTH

Is Through the Rich, Red Blood  
Dr. Williams' Pink Pills  
Actually Make

The blood is responsible for the health of the body. If it is good, disease cannot exist. If it is bad, the door is shut against good health. Disease is bound to appear in one form or another. One person may be seized with rheumatism or sciatica; another with anaemia, indigestion, heart palpitation, headaches or backaches, unstrung nerves, or any of the many other forms of ailments that come when the blood is weak and watery. There is just one certain, speedy cure—Dr. Williams' Pink Pills. They make new, rich, blood, and this good blood strengthens the whole system and brings good health and happiness. Thousands owe their present good health, some life itself, to the pills. Miss Devina Lalibert, St. Jerome, Que., says—"Last year I seemed gradually to grow weak and run down. I did not sleep well, had a poor appetite, and grew pale and generally languid. I consulted a doctor who told me I was anemic, and gave me a tonic. This I took faithfully for some time, but it did not help me, and I appeared to be growing weaker, and finally I was hardly able to go about the house and almost wholly incapacitated for work. While in this condition a friend advised me to try Dr. Williams' Pink Pills, and I got several boxes. It was not long after I began their use when I could see an improvement, which just manifested itself in an improved appetite and better rest at night. From this on the improvement was rapid, and I was not long in regaining perfect health. I think Dr. Williams' Pink Pills are a real blessing for all weak girls."

Want to get these pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

**WAR RECORDS**  
Sir Max Aitken's second report on the work of the Canadian War Records Office has been transferred by the prime minister. It is a brief but comprehensive survey of the work done, and particularly of the methods employed for preserving war data, which is likely to have important historical value. A change has been made in regard to the diaries of the Canadian units. These were formerly transferred from the war office to a sub-committee of the committee on imperial defence. They are now sent direct to the Canadian war record office from the base, and duplicates are supplied to the war office.

The originals are now being deposited in the Imperial public record office. On the suggestion of Dr. A. G. Doughty, Dominion archivist, the original diaries are copied or rather reproduced by a photostat, so that the accuracy of the copies is guaranteed. Lieut. Castle, a famous war photographer, is now with the Canadian forces, and an official cinematographer is engaged in securing films of the Canadian troops in France. The Canadian communication or eye-witness report, and the news bulletin from Ottawa for the troops, are being published in the London press.

**\$100 REWARD, \$100**  
The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts thru the blood on the mucous surfaces of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
