Grand Falls Club

ANNUAL MEETING.

On Wednesday, January 13th, the annual meeting of the Grand Falls Club was held in the Club Hall and was very well attended. The Secretary's report and financial statements were first read and adopted, showing a marked growth in membership and in the activity of the various departments. A very substantial bank balance attests a highly satisfactory financial condition, and the increased income derived from billiards, bar amusements, etc., gives an undeniable proof of a well earned popularity.

For the business of electing a new Committee, Mr. W. Scott, C.E., was asked to take the chair and Mr. J. B. Simpson acted as Secretary for the meeting.

After nomination of twelve candidates, the following were elected: Dr. Scott (as Chairman), Messrs. L. R. Cooper, John Lambert, A. Ogilvie, F. W. Loke, M. J. Shallow and D. A. O'Flynn. Dr. Scott now enters his second year in the post of Chairman and possesses the good-will and co-operation of the whole Club to such a degree as is highly encouraging and undoubtedly deeply appreciated.

Mr. L. R. Cooper, in a committee meeting held afterwards, was re-elected Secretary, and beyond doubt will add still another splendid year to his most successful record in the past.

The confidence hitherto placed in his efforts has been well justified by his unflinching zeal and thorough devotion to duty.

The former Chairman, Mr. M. S. Sullivan, was present at the meeting, and was cordially welcomed in a neat little speech by the Secretary. The reception of his reply by the assembly gave a very clear demonstration of his unflinching popularity, and his many friends look forward to his presence on similar occasions in the future.

It was unanimously decided that the names of members of the Club who had volunteered for service in His Majesty's Army, both in Newfoundland and in England, would be inscribed in the Roll Book as Honorary members.

It is confidently expected that the coming year will be still more successful than the past, and that the record already achieved will be surpassed.

Don't let your stomach, liver and bowels make you miserable. Take Cascarets to-night; put an end to the headache, biliousness, dizziness, nervousness, sick, sour, gassy stomach, backache and all other distress; cleanse your inside organs of all the bile, gases and constipated matter which is producing the misery.

There seems no doubt that the empire style will prevail for dresses and coats.

Freshwater to the Front.

Special to Evening Telegram. CARBONAR, Jan. 22, 1915. Grand meeting was held at Freshwater, C.B. last night. The hall was packed to overflowing. Judge Penney was Chairman. Rev. Dr. Curtis, Rev. F. R. Matthews and Alex. McDougall, Esq., were the speakers. Great enthusiasm prevailed. A flag and scarf drill by little girls was a feature of the meeting, which lasted nearly four hours, and every minute was intensely interesting. The result was thirteen volunteers, all for the Naval Reserve.

For Better Boots.

OTTAWA, Jan. 16.—The sub-committee of the Cabinet on the purchase of military supplies had under consideration yesterday the question of the purchase of new supplies of boots for the Canadian forces. It has been decided to secure a much more serviceable boot than was supplied to the last contingent. The price of the boot was \$4.00 per pair. For an active service boot that will meet the requirements of the troops, the Government expects to pay a somewhat higher figure. Mr. George Slater has been asked to report on the various designs submitted and prepare specifications.

Cleanses Your Hair; Makes It Beautiful

It becomes thick, wavy, lustrous and all dandruff disappears—Hair stops coming out.

Surely try a "Danderine Hair Cleanse" if you wish to immediately double the beauty of your hair. Just moisten a cloth with Danderine and draw it carefully through your hair, taking one small strand at a time; this will cleanse the hair of dust, dirt or any excessive oil—in a few minutes you will be amazed. Your hair will be wavy, fluffy and abundant and possess an incomparable softness, lustre and luxuriance.

Besides beautifying the hair, one application of Danderine dissolves every particle of dandruff; invigorates the scalp, stopping itching and falling hair.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow long, strong and beautiful.

You can surely have pretty, soft, lustrous hair, and lots of it, if you will just get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter and try it as directed.

The Prussian Losses Are Enormous.

London, Jan. 18.—(8.55 p.m.)—The Exchange Telegraph's Vienna correspondent, in a despatch sent via Copenhagen, says that 110 Austrian casualty lists, which do not include the losses of the last two months, give the following totals:

Officers killed, 2,263; officers wounded, 8,980; officers captured, 628. Men killed, 49,827; men wounded, 221,169; men captured, 9,502.

The last five Prussian casualty lists, according to the correspondent, give the names of 36,764 officers and men killed, wounded or missing, making the total Prussian losses, as disclosed in 136 lists, 877,107.

Cardinal Refused to Comply

WITH THE GERMANS DEMAND.

Rome Jan. 18.—A special messenger from the ecclesiastical authorities of Belgium, who succeeded in passing the German lines, reached Rome last night bearing a full report concerning the situation growing out of Cardinal Mercier's pastoral letter. The report was presented to Pope Benedict this morning, and the following is an authentic extract from it:

"Notwithstanding the efforts of Berlin to suppress the affair the truth has begun to be known regarding the chicanery of which Cardinal Mercier is the victim. The facts subjoined may be considered absolutely exact:

"First—The Germans seized from the printer Dessain at Malines 15,000 copies of Cardinal Mercier's pastoral letter.

"Second—The Germans fined the printer 500 marks (\$150).

"Third—The Germans forbade the reading of the pastoral letter in a large number of parishes.

"Fourth—Three German officers called at the Archbishop's palace in Malines, January 2, and compelled him to submit to interrogation.

"Fifth—Cardinal Mercier was prevented, January 3, from presiding at a religious ceremony. That morning he received a telegram 'inviting' him not to go to this service, which was to take place in a church in Antwerp.

"Sixth—On January 4, Cardinal Mercier was detained in his palace all that day. During the morning Von Stroemel, aide on the staff of General Von Bissing, arrived in an automobile, accompanied by soldiers, to bring a letter from General Von Bissing. Von Stroemel demanded an immediate reply. The Cardinal offered to send a reply in the course of the day to Brussels, but Von Stroemel, after telephoning from the headquarters of the local commandant to the Governor General in Brussels, reported to the Cardinal that he had been ordered to remain in the Archbishopric until the Cardinal had given him the reply demanded. Von Stroemel remained until evening, with the soldiers who accompanied him.

"Seventh—On January 6 the Germans presented the Cardinal with the text of a species of retraction which they demanded that he should sign. The Cardinal refused."

A Bear's Long Life.

During the winter months, when work and money are both scarce, one thought occupies the mind of everyone—how to make a dollar last as long as possible—oftentimes, how to make one dollar take the place of two. Economy must be practised, but it must be True Economy. A shoddy article, no matter how little it costs, is never cheap—a good article is never dear. For instance, how many pairs of rubbers do you and your children wear out in the course of a winter? How many have you worn out so far this winter, how many will you wear out before the winter is over? A great many, you say, for dear and cheap rubbers are equally bad. No, we know men who bought their first pair of rubbers for this winter on that first slushy day in November; they are wearing them now, and they will wear them many weeks yet—perhaps the whole of the winter. That is because they practised True Economy, they bought Bear Brand. Bear Brand cost no more than some other kinds. You are constantly paying for others the same price as you will pay for them; yet the quality is there—Bears live longer. If your dealer does not keep Bear Brand, write to the Cleveland Trading Co., St. John's, who will tell you where to obtain them.—Jan 23, 11

At the Crescent.

"Captain Jenny, S.A." is the title of the great three-reel feature that the Crescent Picture Palace will show on Monday. This feature is produced by the "Gold Seal" Co., and is said to be one of the finest pictures filmed by this famous company. It is a very interesting Salvation Army story and the celebrated actress Hazel Buckham, appears in the title role. Today the exciting two-reel Bison feature "From the Lion's Jaws" is being repeated. All who saw this masterpiece yesterday are loud in their praise of its magnificent photography and acting. It contains an interesting love story and is a picture that everyone appreciates. The other three pictures that go to make up the programme are equally good and interesting. Besides, J. O'Neil Farrell, baritone, sings a pleasing ballad. We advise all our readers to see this fine show to-day, as it will be the last chance to see "From the Lion's Jaws." The Crescent is clean and cozy.

Catechism of a Soldier in Time of War.

To conquer in war I must have: My courage, My discipline, My bayonet, My ammunition.

My courage, to assure long suffering. My discipline, in order to carry out blindly all the orders of my commander.

My bayonet, to drive the enemy from his position or to impale him. My bullets, to permit me to press on up to the moment of assault.

As a sentinel I watch over the army; it is my duty to keep on my feet, in order to see, to listen, and to prevent danger.

As a scout I must protect the army on the march and be audacious in obtaining information. On the march I must keep my place exactly.

In camp I must look after my equipment, care for my feet, my boots, rest with my rifle near me, so as to be ready at the first call to arms.

In battle, in taking the offensive my motto must be "Always forward" for the assault.

On the defensive I must hold out to the very end, even when I see the effect of fire, commencing and ceasing fire instantly at the order of my commander, supporting my rifle and, if possible, my body in order to fight the better.

When I am alone I will not fire, at more than 400 meters, on a single man, or at more than 600 meters on a group of men.

Given this day on the boat "Esperance."
