A Treatment Which Has Proven a Wonderful Healer of the Skin—Certified Evidence of Lasting Cure.

Jordan, Ont., December 14th.—The old notion that eczema is a disease of the blood is refuted time and time again by the cures that are daily being effected by Dr. Chase's Ointment. It matters not what the cause may have been if you apply Dr. Chase's Ointment regularly you will obtain relief and cure of eczema. Here is the proof.

Mrs. Stephen G. Thwaites, Box 205, Jordan, Ont., writes: "I had a bad case of eczema on his legs. He was troubled nearly all one fall and winter with it, and could not work for days at a time. He tried different ointments and ointments, but none cured him. One day he tried Dr. Chase's Ointment, and it gave almost instant relief. I had not quite finished the second box when he was cured. It is now about five years since then, and it has never returned. We certainly can recommend Dr. Chase's Ointment, and are very grateful for my brother's cure."

(Rev. S. F. Coffman, Vineland, Ont., states: "This is to certify that I know Mrs. Thwaites and the party to whom she refers, and her statements are correct.")

Mr. J. E. Jones, 223 University Avenue, Kingston, Ont., writes: "I had eczema in my hand for about five years. I tried a great many remedies, but found that while some of them checked it, none cured it permanently. Finally I tried Dr. Chase's Ointment, and in six weeks my hand was completely better. I would not do without a box of Dr. Chase's Ointment in the house if it cost \$2 a box. I am giving my name to this firm so that it will get to those who suffer as I did."

Dr. Chase's Ointment, 60 cents a box, at all dealers or Edmanson, Bates & Co., Limited, Toronto. Substitutes will only disappoint you. Insist on getting what you ask for.

More Smallpox.

Another new case of smallpox was reported to the Health Authorities last night, the disease having shown itself on a girl resident of Gear St. The patient is being nursed at home and precautions enforced to prevent the malady from spreading. This makes the tenth case of smallpox reported in the city within the past week.

Police Court.

(Before Judge Morris.)
Mr. W. G. Gosling, of the City Council, had a number of horsemen summoned for not having their licenses paid. Three of the defendants settled, but the others did not appear.

Mother! Give Child "Syrup of Figs" if Tongue is Coated

If cross, feverish, sick, bilious, clean little liver and bowels.

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver, and bowels so nicely.

A child simply will not stop playing to empty the bowels and the result is they become tightly clogged with waste, liver gets sluggish, stomach sour, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhea. Listen Mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.
