Gifts Which Suggest the Spirit of Hospitality

AGAINST a background of fine damask, under the glow of softly shaded lights, rich silverware gives added charm to entertainment. Holmes & Edwards silverware is silver of the most enduring sort.

The beauty and dignity of its lines, in either Jamestown or De Sancy, are the last word in good taste. Either pattern is one of which you will never tire.

HOLMES & EDWARDS—as your jeweler will explain—is protected at the wear points. In SILVER-IN-LAID blocks of solid silver are fused into the back of the handles and bowls, guaranteeing the hardness of silver wherever friction comes. In SUPER-PLATE these points of wear are protected by an extra deposit of pure silver.

Manufactured exclusively in Canada by

The STANDARD SILVER CO. of Toronto, Limited.
