THE THINGS THAT MATTER. When a fellow's getting old An' his tale is mostly told, When he knows life has in store At the best a few years more,
An' it's settled in his mind
That he isn't goin' to find
Any mine of gold, or claim
Special notices from fame,
Then he gets in closer touch
With the things that matter much.

Youth looks ever far away
To some better, other day
That is always goin' to be,
When he'fl gain the victory;
Then he's always got his eyes
On some glittering future prize
Which he fancies he may win
'Snite of all his blunderin' 'Spite of all his blunderin' Tellin' all along the way
He'll do something big some day,

But the champions are few An' the great deeds hard to do, An' the dreamers by an' by See things/ with a clearer eye An' discover not to all
Can the pomp of glory fall;
Most of us must settle down
Findin' peace without renown,
Glad that we can come an' go
Loved by those God lets us know.

When a fellow's gettin' old An' his tale is mostly told, An' the fame he's dreamed about From his life has faded out, Then he flads that friends are mor Than the gold he'd hungered for, An' ho'd rather spend his hours With his children an' his flowers An' his neighbors, for in such is the peace which matters much.

For Carburetors having one Gaso-ne adjustment, reduce the flow of the asoline from one-half to one-third, For Carburetors having high and low speed adjustment, turn down both till car runs smoothly.

For Carburetors having stationary spray nozzles, plug up nozzle with solder and rebore nozzle hole about 4 points smaller and regulate by givg more air.

Thus you see, by the use of MIR-ACLE MOTOR-GAS you feed less gasone and give more air.

CAUTION:—Never interfere with the Carburetor Float or Springs of the Automatic Air Inlet. Simply reduce the flow of Gasoline and use more

There is no way of telling just the exact results of MIRACLE MOTOR-GAS in any particular case, as it will depend on the condition of your engine, spark plugs and carburetor; but there is a CERTAINTY about the results if you will continue in its use until it has had time to do the work it was intended to do.
