**Making Friends and Keeping Them.**

There's little satisfaction in coaxing customers in one day with the bait of some "scheme" or deal, only to lose them to-morrow, when someone else does the same thing. That's not the kind of customers that make for permanent success of the grocer.

If we have Babbitt's Borax right one day and "almost as good" the next—sold it on a "drive" one day and at the "regular price" the next—there wouldn't be any "regular price"—or quality either.

**TO YOUNG MEN!**

This is specially addressed to the young men who are following the trend of style especially as regards trousers. If you want the bell bottom trousers, with or without cuff, here is the place to get them; we are making and have made recently some splendid examples of this style. This also applies to the straight hanging English trousers hanging free from the hips to the cuff; with plenty of room at knees and bottom.
