

BREAKFAST.—Epps's Cocoa.—GRATEFUL AND COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills.—*Civil Service Gazette.* Made simply with Boiling Water or Milk. Each packet is labelled—*Jay's Epps & Co., Homeopathic Chemist, London.*

MANUFACTURE OF COCOA.—We will now give an account of the process adopted by Messrs. James Epps & Co., manufacturers of dietetic articles, at their works in the Euston Road, London.—See article in *Cassell's Household Guide.*—2906m

THE QUESTION SETTLED.—Those eminent men, Dr. Jas. Clark, Physician to Queen Victoria, and Dr. Hughes Bennett, say that consumption can be cured. Dr. Wistar knew this when he discovered his now widely-known **BALSAM OF WILD CHERRY**, and experience has proved the correctness of his opinion.

Is the mind a ponderable or an imperponderable substance; an essence, vapor, or an indescribable something which cannot be grasped, felt or withheld?

Man thinks, studies, invents, tires the brain by overwork, and loses his reason; rests his intellect, becomes calm, uses restoratives, and again thinks.

When we reflect that a power of endurance can be imparted to the brain, and that weak minds have been restored to strength by **Follow's Compound Syrup of Hypophosphites**, we cannot but conclude that the subtle power is really ponderable matter, from the fact that the ingredients are supplied which render it support and give it vitality. Persons who study hard should preserve their balance of power by using the **Syrup.**

THE STOMACH AND ITS DERANGEMENTS.—The chronic wasting disease for which invalids are constantly seeking specifics. When the food is not properly assimilated, and all the organs and tissues of the body debilitated by want of nutriment. The general depravity of the system manifests itself in some constitutions by disease of the Lungs, Heart, Liver, or Kidneys, and in others by a profuse enlargement of the glands, eruptions of the skin, ulcers of bone and joints, weakness, frequent sickness, exhausting discharges, nervous prostration, mental anxiety, headache and rheumatic pains, all of which arise from deranged nutrition. To invigorate the Stomach and perfect Digestion, and the formation of Healthy Blood, Dr. Wistar's Compound Syrup of Phosphates and Calissaya is of great efficacy and reliability, being harmless to infant or adult, and without any dangerous element in its effects. Sold by all Druggists. dw

WISTAR'S BALSAM OF WILD CHERRY

THE GREAT REMEDY FOR CONSUMPTION

which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.

PREPARED BY **SETH W. FOWLE & SON**, Boston, Mass. And sold by Druggists and Dealers generally.
